TEACHER CARE

I can!

How can I be of help to you?

I am available to do any of the following:

- Co-teach or co-plan with you or your grade-level team
- Work on instructional strategies
- Collaborate with you before or after lessons
- Create assessments with you
- Help you organize and analyze student data
- Offer differentiation strategies
- Model a lesson or strategy based on Marzano's 9
- Collaborate on Best Practices
- Facilitate study groups
- Coordination of flexible grouping
- System 44 referrals
- Math Intervention
