

Civic-minded individuals who care about their communities are needed to help in the enumeration for Census 2020. Take a Census position – help ensure everyone counts in your community!

Accurate count needed

An accurate count helps to ensure your community gets the future share of federal and state funds it needs, and your citizenry is fairly represented in the legislative process.

By taking a temporary position with the U.S. Census Bureau, you can participate in this truly important endeavor and serve your community.

In this decade, the Census Bureau has had to hire out-of-state workers to complete their various surveys in North Dakota.

Census 2020's outcome is vital to your community's future. Individuals invested in their local area are needed for this important work.

Only as an employee of the Census Bureau can you participate in the actual enumeration process.

Select Positions

- Recruiting assistants travel throughout geographic areas to visit with community-based organizations, attend promotional events and conduct other recruiting activities
- Census-takers work in the field. Some field positions require employees to work during the day to see addresses on buildings. Other field positions require interviewing the public, so employees must be available to work when people are usually at home such as in the evening and on weekends.
