Fiduciary extension payment

2012

Purpose

If you are applying for an extension of time to file the 2012 Form 38, you may make an extension payment to prepay the tax that is expected to be due to avoid paying extension interest. The payment must be made no later than the due date of the return (without extension).

Important. Do not use this voucher if:

- The return is filed on or before the due date of the return (without extension).
- The balance due is going to be paid after the due date of the return (without extension).
- The payment will be made electronically—see "How to make payment" for payment options.

Any tax due with the return is subject to extension interest.

How to make payment

If paying by paper check or money order, make the check or money order payable to "ND State Tax Commissioner." Complete the payment voucher below, detach it from this page, and mail it with the paper check or money order to:

Office of State Tax Commissioner

Electronic payment option. Instead of submitting a paper check or money order with this payment voucher, the balance due may be paid electronically through an Automated Clearing House (ACH) credit transaction or online through Link2Gov Corporation, a national electronic payment service. ***If paying electronically, do not use the paper voucher below.***

To pay by means of an ACH transaction, go to **www.nd.gov/tax** and click on "Fiduciary" on the left-hand side of the page. Then click on "Electronic Payment."
