Fiduciary extension payment

2013

Purpose

If you are applying for an extension of time to file the 2013 Form 38, you may make an extension payment to prepay the tax that is expected to be due to avoid paying extension interest. The payment must be made no later than the due date of the return (without extension).

Important. Do not use this voucher if:

- The return is filed on or before the due date of the return (without extension).
- The balance due is going to be paid after the due date of the return (without extension).
- The payment will be made electronically—see "How to make payment" for payment options.

Any tax paid with the return is subject to extension interest.
