Individual Extension Payment

2013

Purpose

If you are applying for an extension of time to file your 2013 North Dakota individual income tax return, you may make an extension payment to prepay the tax that you expect to owe to avoid paying extension interest.

If you make an extension payment, you must file Form ND-1 and claim the payment on page 2, line 29; you may not file Form ND-EZ.

The payment must be made no later than April 15, 2014, to avoid extension interest.

Important. Do not use the voucher below if you:

- Choose to make the payment electronically—see "How to make payment" for your payment options.
- File your return on or before April 15, 2014.
- Pay your balance due after April 15, 2014.

Any tax paid with your return is subject to extension interest.

How to make payment

If paying by paper check or money order, make the check or money order payable to "ND State Tax Commissioner." Complete the payment voucher below, detach it from this page, and mail it with the paper check or money order to:

Office of State Tax Commissioner

Electronic payment option. Instead of paying by paper check or money order, the payment may be made electronically by phone or online through Link2Gov Corporation, a national electronic payment service.
