Mathematics Courses for Which Algebra II is a Prerequisite

11033	Discrete Mathematics
11034	College Algebra
11037	Linear Algebra
11038	Linear Programming
11039	Abstract Algebra
11061	Calculus
11121	Analytic Geometry
11150	Probability and Statistics
11160	Trigonometry
11161	Trigonometry/Analytic Geometry
11162	Geometry/Trigonometry/Advanced Algebra
11181	Precalculus
11580	Advanced Placement Statistics
11581	Advanced Placement Calculus AB
11582	Advanced Placement Calculus BC

Computer Sciences Courses Approved as Math Credits

11041	Integrated Mathematics for Computer Science/Information Technology (Mathematics)
11042	Advanced JAVA Programming (Mathematics)
11583	Advanced Placement Computer Science A (Mathematics)
