Individual Extension Payment

2009

Purpose

If you are applying for an extension of time to file your 2009 Form ND-1, you may make an extension payment to prepay the tax that you expect to owe to avoid paying extension interest. You may pay by check or credit card—see the separate instructions on this page for the payment procedures under each method. Regardless of how you choose to make the payment, it must be made no later than April 15, 2010, to avoid extension interest.

Important. Do not use the voucher below if you:

- Choose to make the extension payment by credit card,
- File your return on or before April 15, 2010, or
- Pay your balance due after April 15, 2010.

Any tax due with your return is subject to extension interest.

Office of State Tax Commissioner
PO Box 5622
