Re: Processing of Outpatient Claims

When North Dakota Medicaid is not the primary payer on outpatient operating room services or outpatient ambulatory surgical care claims, the Division will process the claim according to the primary payer's coding guidelines.

Reimbursement will be at the lower of the patient responsibility or the Division's allowed amount according to the Outpatient Allowable Procedure List. This list will be posted on the Division's website at:

<http://www.nd.gov/dhs/services/medicalserv/medicaid/provider-fee-schedules.html>

This policy is effective immediately for claims processed by ND Medicaid.
