REPORTING REQUIREMENTS

COMMITTEES ORGANIZED IN SUPPORT OF OR OPPOSITION TO INITIATED OR REFERRED MEASURES: Committees organized in support of or in opposition to any initiated or referred measure, or measure placed upon the ballot by legislative action, including any corporation, cooperative corporation, limited liability company, or association that receives contributions pursuant to Section 16.1-08.1-03.1 of the North Dakota Century Code or spends money for the purpose of promoting passage or defeat of any initiated or referred measures, or measure placed upon the ballot by legislative action, must file a Campaign Contribution Statement with the Secretary of State. The statement must include the name and mailing address of all contributors who contributed in excess of \$100; the amount of each reportable contribution; and the date the most recent contribution was received. The statement must also include the names and mailing addresses of all recipients of an expenditure in excess of \$100; the amount of each reportable expenditure; and the date each reportable expenditure was made. Contributions made from contributors not residing in North Dakota must be accompanied by a detailed listing of all out-of-state contributors in accordance with Section 16.1-08.1-03.1 (2) of the North Dakota Century Code. The listing must accompany the overall Campaign Contribution Statement. The statement must indicate if no individual person contributed in excess of one hundred dollars of the out-of-state person's or political committee's overall contribution. The committee must report the gross total of all contributions received and expenditures made in excess of \$100 as well as the gross total of all contributions received and expenditures made of \$100 or less. The law also requires measure committees to report total cash on hand in the filer's account at the start and end of a reporting period.

Two reporting schedules are provided in the Campaign Contribution Statement. **Schedule # 1** is for reporting contributions received in excess of \$100. **Schedule # 2** is for reporting expenditures made for political purposes in excess of \$100.

Aggregate contributions must reference the date of the most recent contribution. Contributions made separately by different persons from joint accounts are considered separate contributions for reporting purposes.

TYPES OF REPORTABLE CONTRIBUTIONS:

A gift, transfer, conveyance, provision, receipt, subscription, loan, advance, deposit of money, or anything of value, made for the purpose of influencing the nomination for election, or election, of any person to public office or aiding or opposing the circulation or passage of a statewide initiative or referendum petition or measure.

The term also means a contract, promise, or agreement, express or implied, whether or not legally enforceable, to make a contribution for any of the above purposes.

The term includes funds received by a candidate for public office or a political party or committee, which are transferred or signed over to that candidate, party, or committee from another candidate, party, or political committee or other source.

The term "anything of value" includes any good or service of more than a nominal value. The term "nominal value" means the cost, price, or worth of the good or service is trivial, token, or of no appreciable value. The term "contribution" does not include:

1. A loan of money from a bank or other lending institution made in the regular course of business.
2. Time spent by volunteer campaign or political party workers.
3. Money spent by a candidate on the candidate's own behalf.
4. Money or anything of value received for commercial transactions, including rents, advertising, or sponsorships made as a part of a fair market value bargained-for exchange.
5. Money or anything of value received by a candidate in that person's personal capacity, including pursuant to a contract or agreement made for personal or private employment purposes, and not received for a political purpose or to influence the performance of that person's official duty.
6. Contributions of products or services for which the actual cost or fair market value are reimbursed by a payment of money.

TYPES OF REPORTABLE EXPENDITURES:

A gift, transfer, conveyance, provision, loan, advance, payment, distribution, disbursement, outlay, or deposit of money or anything of value, except a loan of money from a bank or other lending institution made in the regular course of business, made for the purpose of influencing the passage or defeat of a measure or the nomination for election, or election, of any individual to office.

The term also means a contract, promise, or agreement, express or implied, whether or not legally enforceable, to make any expenditure and includes the transfer of funds by a political committee to another political committee.
