

responsible for maintaining the quality of clinical services within The Village Business Institute. The Business Institute EAP Clinical Associate is responsible for assuring the quality of care provided by affiliate providers, but Darrin Tonsfeldt, Director of The Village Business Institute, is ultimately responsible for the quality of all services delivered under The Village Business Institute EAP.

The Village Family Service Center has offices in:

<i>North Dakota</i>	<i>Minnesota</i>
Bismarck	Alexandria
Devils Lake	Brainerd
Fargo	Crystal
Grand Forks	Detroit Lakes
Jamestown	Elk River
Minot	Fergus Falls
	Mahnomen
	Moorhead
	Park Rapids
	Roseau
	St. Cloud
	Warroad
	White Earth

In addition, The Village Business Institute EAP sub-contracts with affiliate providers to supplement the mental health services available through Village offices and provide the most comprehensive and accessible services possible. All providers are accessed through the EAP administrative office, so the client only needs to call the 1-800 number to be matched with the closest, most appropriate professional to meet their needs.

All affiliate providers must meet The Village Business Institute EAP standards for credentials, and are at a minimum Masters level mental health professionals with at least three years of counseling experience.

In North Dakota, the Village Business Institute EAP affiliate providers include:

- 4) There are no current plans for geographic expansion.
- 5) The best evidence of experience and reliability of services is to offer a couple testimonials and some references.

Testimonials from satisfied customers:

“Whether it’s an urgent need, or a planned training session, the value of the services provided by The Village Business Institute EAP is tremendous. Each contact we have had with the staff has demonstrated their competence and helpfulness,” states PHR, Teresa Lewis.
