

Successful Transition Planning

Fargo Public Schools, November 26, 2014 Session

Group Members _____

*Using the Successful Transition Planning Guide as a resource using RureadyND.com, this group activity will take approximately 1 hour to complete. Each question in your color group will take 15 minutes. Look at the information on the educator page and the student worksheet of the number listed below. Analyze the information given for each lesson as a group: For the Student; The Teacher; 30 Minute Activity; IEP Suggestions; Connections to Classroom Activities; and the Student Worksheet. **Select a group recorder and write down your groups' thoughts and impressions of actually doing the lesson with your students. Select a group presenter and be prepared to share results with everyone at the end.***
