The following persons/states have assisted in the development of the RUReadyND.com lesson plans.

We would like to thank Vermont Student Assistance Corp., www.VSAC.org, and the Iowa College Student Aid Commission, www.IHaveaPlanIowa.gov, for the inspiration and ideas used to create the RUReadyND.com lesson plans for the North Dakota Career Resource Network. Your willingness to share your plans and allow us to "borrow" from them has made our task much easier.

A special thanks to Xap/Bridges for allowing us the freedom to use their lesson plans and adapt as needed to fit our needs.

Thanks to Student Loans of North Dakota for providing North Dakota students with these tools to help them prepare for their future.
