

Cluster Finder Activity

Go to www.RUReadyND.com. Choose  on your tools page.

Click on the  tab.

A list of Career Clusters and Pathways will appear on the left side of the page.

Choose two Career Clusters that interest you.
Write the two Career Clusters that you choose on the lines below.

When you click on a cluster, a list of careers will appear. Explore five careers in each cluster that grab your attention the most. Every time you explore a career, write it down in the given space below. When you click on [Sort by Education Level](#) it will sort your list by education level.

Career Cluster _____

The five careers I liked:

Education Level

1. _____	_____
2. _____	_____
3. _____	_____
4. _____	_____
5. _____	_____
