| Careers Are Everywhere! Activity Workbook |  | | <p>Careers are everywhere. Children start the process of exploring the world of work as early as the elementary grades. With each class they take, with each life experience, they gain a greater awareness of the nature of work and begin to form ideas about their future career roles.</p> <p>The activities in this workbook are intended to be fun and challenging. They have been designed around the building blocks of the elementary National Career Development Guidelines with the goal of raising career awareness.</p> <p>http://breitlinks.com/careers/career_pdfs/CareerActivitiesBook.pdf</p> |
