

# WHAT'S YOUR CAREER TYPE?

In 1958, Dr. John Holland created a simple system to help people find the right career. Based on the tasks you enjoy doing at work, you are categorized as one of six types—each with its own list of recommended careers. If you haven't found your ideal career, discovering your type may just point you in the right direction. So which career type fits you?

## DO YOU LIKE WORKING WITH PEOPLE?

Yesiree, I'm a people person!

Eh, I can take 'em or leave 'em.
