

Public Notice

Training Meetings:

Hosted by the Developmental Disabilities Division

Centers for Medicare & Medicaid Services (CMS) Home and Community Based Services Final Rule

Background:

CMS, a federal agency that oversees the federal funds used to pay for Home and Community Based waiver services, has issued new requirements.

Who Should Attend:

People receiving services, legal decision makers, family members, advocates, licensed developmental disabilities services providers (program coordinators, quality assurance, CEO's), DD program managers and administrators, and others interested in the requirements or who will be involved with the implementation.

Agenda:

- The requirements the final rules establishes for the qualities of settings
- Requirements for provider-owned residential settings
- Settings that are excluded as permissible settings
- The person-centered planning process and documentation requirements
- Transition plan activities to comply with any non-compliant areas
