

# North Dakota Department of Human Services

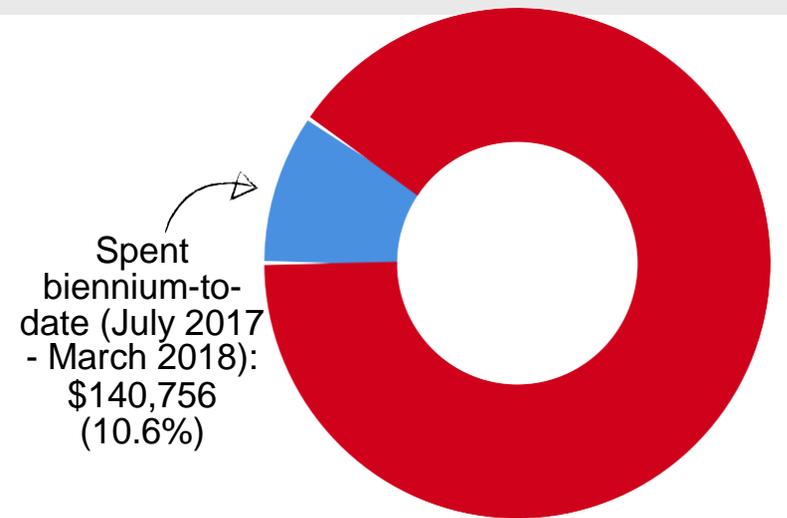

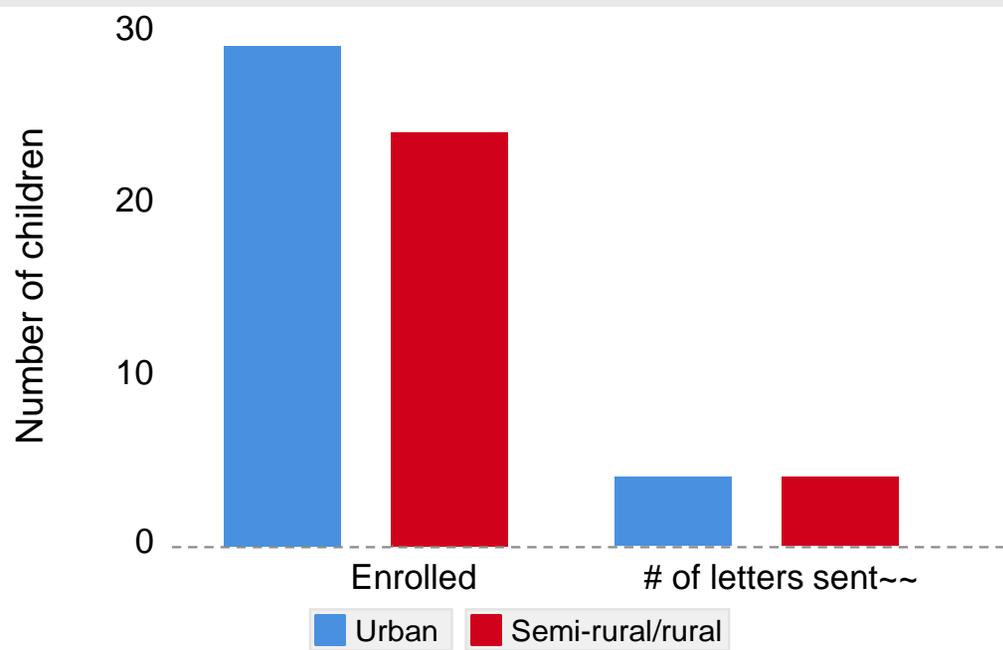

## Quarterly Report for the Autism Spectrum Disorder Task Force 2017-2019 Biennium to Date (July 2017-March 2018)

### Waiver~ (96 slots)

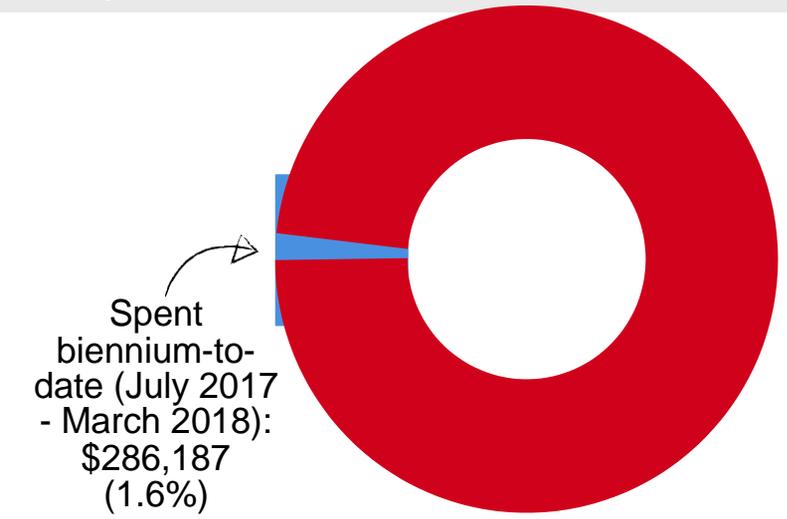

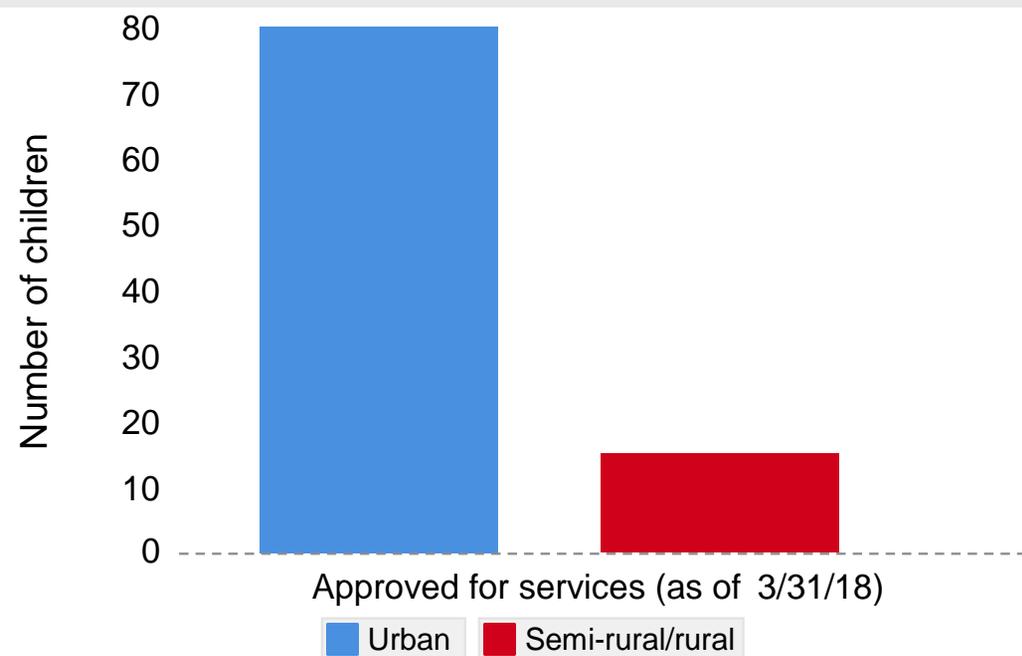

Total appropriation (2017-19 biennium): \$3,363,979

### Voucher (53 slots)

Total appropriation (2017-19 biennium): \$1,325,009

### Medicaid State Plan Applied Behavior Analysis (ABA) Services

Total appropriation (2017-19 biennium): \$18,251,750

~Children enrolled in the waiver also receive Medicaid State Plan services. Between July 2017 and March 2018, \$104,429 has been expended for State Plan services provided to these children (not including ABA services, which are reported separately on this document).

\*As of March 31, 2018.

\*\*AT=received assistive technology between 7/1/17-3/31/18.

^RC=received respite care between 7/1/17-3/31/18.

^^SM=received service management between 7/1/17-3/31/18.

+Each ND county is classified as urban, semi-rural or rural ([https://ruralhealth.und.edu/maps/mapfiles/county\\_class.pdf](https://ruralhealth.und.edu/maps/mapfiles/county_class.pdf)). For this report, semi-rural and rural were grouped together to protect privacy.

When applied behavior analysis services were added to the Medicaid State Plan, skills training, program monitoring and oversight and the evidence-based team were removed from the waiver, which will decrease waiver expenditures.

~~Number of letters sent to families in March 2018 who had not made a purchase within 180 days of enrollment.
