

The following annual goals and priorities were presented to the SRC on April 25, 2014, and were approved. The goals were based on the results of the 2013-2015 Triennial Needs Assessment which is described in *Attachment 4.11(a)*, public input gathered in March 2014, VR's managing for results strategic planning, and federal standards and indicators.

Goal	Description	State Rehab Council	Analysis of Triennial Assessment	Public Input	NDVR Managing for Results	Federal Standards and Indicators
1	Target to Meet Federal Standard 1 – Increase Employment Outcomes from 2013. DVR will meet four of the six indicators, and at least two of the three primary indicators by 09/30/2014.	✓			✓	✓
2	DVR will enhance service delivery to youth by 9/30/2014.	✓	✓	✓	✓	
3	Ensure VR services are available to meet the job readiness needs for consumers who are blind or experience significant visual loss by 9/30/2014.	✓	✓	✓	✓	
4	*Provide leadership that promotes competitive integrated employment as the first choice for individuals who are of working age by 9/30/2014.	✓	✓	✓	✓	✓

* These include supported employment. Supported employment is also specifically addressed in *Attachment 4.11(c)(4)* and *Attachment 4.11(d) Goal 1, Strategy 1.5*
