

# “struggling to pay your rent & utilities?”

You may be eligible for up to 12 months of help with your rent and utilities, including electric, natural gas, water, wastewater and garbage services through the ND Rent Help program. With the new higher income limits, more households qualify.

**Application  
counselors  
are now  
available  
to assist!**

## Applying for help is as easy as 1-2-3

# 1

Visit [portalapps.nd.gov/dhsps/emergency-rent](https://portalapps.nd.gov/dhsps/emergency-rent) and submit your information to find out if you may qualify. **GET HELP APPLYING** from an approved Application Counselor. Find one at <https://bit.ly/3tczl6j>

# 2

If you are likely to qualify, you will be notified by email about next steps and needed documents (lease, rent notice, past-due utility bill, paystubs, etc.)

# 3

If you are approved for ND Rent Help, you will be notified, and the rent and utility fees you owe will be sent directly to your housing provider or utility service provider
