Money Follows the Person Grant Stakeholder Meeting is November 29 in Bismarck

BISMARCK, N.D. – The North Dakota Department of Human Services' Medical Services Division is holding a Money Follows the Person (MFP) grant stakeholder meeting on Tuesday, November 29, 2011, from 1 to 4 p.m. in the Pioneer Room at the Capitol. The public is welcome to attend.

Stakeholders act in an advisory capacity to the department and receive quarterly updates on grant activities, which are focused on community-based services for individuals with disabilities. Grant funds help eligible individuals transition from institutions to community settings.

Agenda items include discussions about the current transition benchmarks, the national MFP conference, public education efforts, operational protocol amendments for 2012, and employment opportunities for individuals transitioning from institutions to community living or transitioning from home to adult services and independent living. Other business may also be discussed.

Individuals who need accommodations to participate in the meeting, can contact Jacob Reuter at 701-328-2321, jwreuter@nd.gov, or Relay ND at 1-800-366-6888.

The federal government awarded the N.D. Department of Human Services an \$8.9 million Money Follows the Person grant in 2007. Medicaid clients who are elderly or have physical or other disabilities and who live in nursing homes, the Developmental Center, or other institutions may qualify for transition services. Participation is voluntary. Since transitions began in 2008, 67 individuals have transitioned to community settings.
