Money Follows the Person Grant Stakeholder Meeting is May 24 in Bismarck

BISMARCK, N.D. – The North Dakota Department of Human Services' Medical Services Division is holding a Money Follows the Person grant stakeholder meeting Tuesday, May 24, 2011, from 1 to 4 p.m. in the Pioneer Room at the Capitol. The public is welcome to attend.

Stakeholders act in an advisory capacity to the department and receive quarterly updates on grant activities, which are focused on community-based services for individuals with disabilities. Grant funds help eligible individuals transition from institutions to community settings.

Agenda items include discussions about the current transition process, nursing facility transition coordinators, housing initiatives, home and community-based services marketing efforts, nursing quality support program, local contact agency implementation, and options counseling.

Individuals who need accommodations to participate in the meeting or who have questions, can contact Jacob Reuter at 701-328-2321, jwreuter@nd.gov, or Relay ND at 1-800-366-6888 or 711.

The federal government awarded the N.D. Department of Human Services an \$8.9 million grant in 2007. Adult Medicaid clients who are elderly or have physical or other disabilities and who live in nursing homes, the Developmental Center, or other institutions may qualify for transition services. Participation is voluntary.

Since transitions began in 2008, 50 individuals have transitioned to community settings.
