## **Educational Seminar for Direct Care Workers is May 22 in Killdeer**

BISMARCK, N.D. - The N.D. Department of Human Services' Medical Services Division will hold an educational seminar in Killdeer on Wed., May 22, 2013, from 1 to 3 p.m. (Mountain Daylight Time) for current qualified service providers and anyone interested in being an in-home caregiver. The event is at the Dunn County Social Service Office, 125 Central Ave., Basement Court Room. The meeting was originally scheduled for Jan. 31, 2013, but was cancelled due to weather.

Qualified service providers are friends, neighbors, family members, and others who provide in-home care to older adults and people with disabilities so they can continue to live in their own homes and communities.

The meeting will include an interactive online demonstration on how to complete enrollment forms and billing documents, an overview of programs and services available through the department that support independent living, and a review of provider rates and reimbursement requirements. There will also be a discussion about how to become a qualified service provider, as well as the responsibilities associated with being a caregiver.

Individuals from Dunn and Stark counties can participate in the seminar. To preregister, contact Katie Yantzer, direct service workforce development coordinator, at 1-800-755-2604, ND Relay TTY 1-800-366-6888 or [keyantzer@nd.gov](mailto:keyantzer@nd.gov).
