Public Comment Sought on North Dakota Children's Health Insurance Program Quality Strategy Three-Year Plan 2015 – 2018

May 30, 2014

The N.D. Department of Human Services Children's Health Insurance Program (CHIP) is seeking public comment on its draft 2015-2018 Quality Strategy. The Quality Strategy guides the department and the Managed Care Organization for CHIP through the requirements set forth in 42 CFR 438. The purpose of this federal regulation is to ensure there is a quality strategy in place to improve the care delivered to children receiving services through CHIP.

The draft Quality Strategy is available at www.nd.gov/dhs/services/medicalserv/ and can also be obtained by calling 701-328-2323, toll free 800-755-2604, ND Relay TTY 800-366-6888, or e-mailing jmhulm@nd.gov.

Comments will be accepted until 4 p.m. (CT) on June 30, 2014.

Written comments may be mailed to Jodi Hulm, CHIP Administrator, ND Department of Human Services, 600 E. Boulevard Ave., Dept. 325, Bismarck, ND 58505-0250. Comments may also be e-mailed to jmhulm@nd.gov.
