

Meeting Notice

Early Childhood Data System Subcommittee Meeting

Tuesday, May 26, 2015

1:30 pm (CT)

Meeting via Phone/Internet

Agenda

1. Prepare update for the Early Childhood Education Council's meeting in June
2. Review and approve self-assessment - first four questions and answers have been provided to members.
3. Project update on Proof of Concept.
4. Stakeholder's roundtable - review information from Early Childhood Integrated Data System State Support Team and decide on stakeholders and their roles.

People can also participate in the meeting through a webinar by logging on to <https://global.gotomeeting.com/join/452550461> or by calling (612) 351-3010 or 855-928-1867.

Individuals who need accommodations to participate in the meeting can contact Mark Schaefer at 701-328-2316, toll-free 800-245-3736, ND Relay TTY 800-366-6888 or marschaefer@nd.gov.

The Early Childhood Education Council created the Early Childhood Data System Subcommittee to develop and implement a system that would integrate early childhood data into the State Longitudinal Data System. The data will be used to show the effectiveness of early childhood programs to state policy makers, government agencies, school and program administrators, community leaders, economic developers, and the business community.
