STATE COUNCIL ON DEVELOPMENTAL DISABILITIES GRANT CYCLE CHANGE

The North Dakota State Council on Developmental Disabilities is changing the date of this year's grant cycle to begin on January 1, 2017, instead of on October 1, 2016 (the start of the federal fiscal year).

The timing change will assure the council has a federally-approved five-year state plan. Once approved, the state plan goals and objectives will guide the grant opportunities for the next five years.

Information on grants available in the next grant cycle will be uploaded to the council's website at www.ndcpd.org/scdd in October 2016. Successful applications will be funded beginning January 2017.

IMPORTANT: The council will continue to fund through September 30, 2016, the small innovative grants and Consumer Leadership Development Fund opportunities currently listed on the council's website.

For information about the council, go online to www.ndcpd.org/scdd or contact Executive Director Julie Horntvedt at 701-328-4847, ND Relay TTY 800-366-6888, or jhorntvedt@nd.gov.
