

Public Notice

ND Medicaid Program

Effective for dates of service on or after October 10, 2017, to enhance access to dental services provided to children, the Medicaid state plan will be updated to include payment methodology for dental sealant and fluoride varnish services delivered in a school setting by dental hygienists employed by the North Dakota Department of Health (Department).

Payments to the Department will be based on the cost of delivery of the service as determined by the single state Medicaid agency from cost data submitted by the Department. The estimated cost for a 12-month period is approximately \$60,500.

Fee schedules for services are on the Department of Human Services website at:
