

# Meeting Notice

## 2018 Schedule of the DHS New Medicare Cards Project Meetings

In compliance with NDCC Sections 44-04-19 and 44-04-20, this provides notice of the **DHS New Medicare Cards Project** meetings for the calendar year 2018.

The project's purpose is to remove social security numbers from health care transactions that historically used a person's social security number.

There are monthly meeting established for the project beginning January 10, 2018. Times listed are in Central Time.

- |                  |             |                                    |
