## ND Medicaid Program

Effective for dates of service on or after April 9, 2019, ND Medicaid will increase the rates paid for addiction treatment services. Reimbursement rates were reviewed in comparison with those used by the Medicaid Managed Care Organization (MCO) and in order to ensure access to services for individuals eligible for Traditional Medicaid, the rates will be adjusted to more closely align to the MCO rates. In the aggregate, the estimated impact for a 12-month period is \$143,000.

Effective for dates of service on or after May 1, 2019, North Dakota Medicaid will add CPT® Code 97542 (Wheelchair Assessment, Fitting, Training – each 15 minutes) to our fee schedule for coverage. The estimated impact for a 12-month period is \$9,000.00.

Fee schedules for services are on the Department of Human Services' website at: <http://www.nd.gov/dhs/services/medicalserv/medicaid/provider-fee-schedules.html>.
