-Enter NDDHS in the box

-Press Add

A screenshot of a dialog box titled "Add a Service Key". The dialog box has a blue header with the title. Below the header, there is a paragraph of text: "You may receive a Service Key from your employer, health plan, or health care provider to activate a new service. It is optional and not required. If you have a Service Key, enter it here." Below the text is a text input field containing the text "NDDHS". At the bottom of the dialog box, there are two blue buttons: "Cancel" and "Add".

Add a Service Key

You may receive a Service Key from your employer, health plan, or health care provider to activate a new service. It is optional and not required. If you have a Service Key, enter it here.

-Enter your provider's name in the search bar.

-Once your provider is found, click on “start visit”
