Certain employees in the transportation industry are subject to federal drug and alcohol use and testing regulations under the federal Department of Transportation (DOT). The service agent who is responsible for overseeing this process is a Substance Abuse Professional, or an SAP. DOT requires an SAP to have specific credentials, to have basic knowledge in specified content areas, to complete comprehensive SAP training, and to satisfactorily complete an SAP exam.

To find a listing of North Dakota providers that are Substance Abuse Professionals, visit

<http://www.saplist.com/>.
