## MEDICAID AND PRIVATE HEALTH INSURANCE FOR NORTH DAKOTANS

### GET PIECE OF MIND WITH MEDICAID COVERAGE

Taking responsibility for health care coverage means fewer worries. Having health care coverage gives you peace of mind – through Medicaid or private insurance:

- ✓ When you are covered, you have confidence knowing you'll get the care you need if you get sick or hurt.
- ✓ Health insurance coverage means you reduce the financial challenges that come with high medical bills.
- ✓ Instead of seeking routine care in the emergency room, receive quality, consistent care from health care providers you know.
- ✓ More residents will have access to preventive services, and medical support in case of accidents, illness or job loss.

#### Online Expanded Medicaid Enrollment Has Begun.

If you qualify, your Medicaid coverage can start as early as January 1, 2014.

### NORTH DAKOTA'S EXPANDED MEDICAID COVERS MORE LOW-INCOME INDIVIDUALS

North Dakota's expanded Medicaid program covers many low-income individuals under age 65 – not just pregnant women, people with disabilities, or some adults with dependent children.

### YOU MAY QUALIFY FOR MEDICAID
