DD DIVISION PROGRAMS

SYSTEM CHANGES IMPACTING SERVICE DELIVERY

- Capacity increases for the DD home and community-based waiver.
- Transition & Diversion Coordinator
- Implemented new payment methodology for select services that is individualized and allocates staffing supports based on the results of a standardized assessment (SIS/ICAP).
- All clients residing at the LSTC have been assigned a DDPM.

SYSTEM CHANGES IMPACTING SERVICE DELIVERY CONTINUED...

- All clients residing at the LSTC have received a SIS or ICAP assessment.
- New funding levels added for clients with significant medical needs residing in Intermediate Care Facilities and Residential Habilitation.
- Community Transition Services added to DD HCBS waiver.

REGIONAL REFERRAL WITH PEOPLE RESIDING AT THE LSTC

2018 Transition Committee Goals

- All people living at the LSTC will have a Program Manager on their Team
- All people living at the LSTC will have the opportunity to be a part of a Regional Referral Committee Review.

Current Status

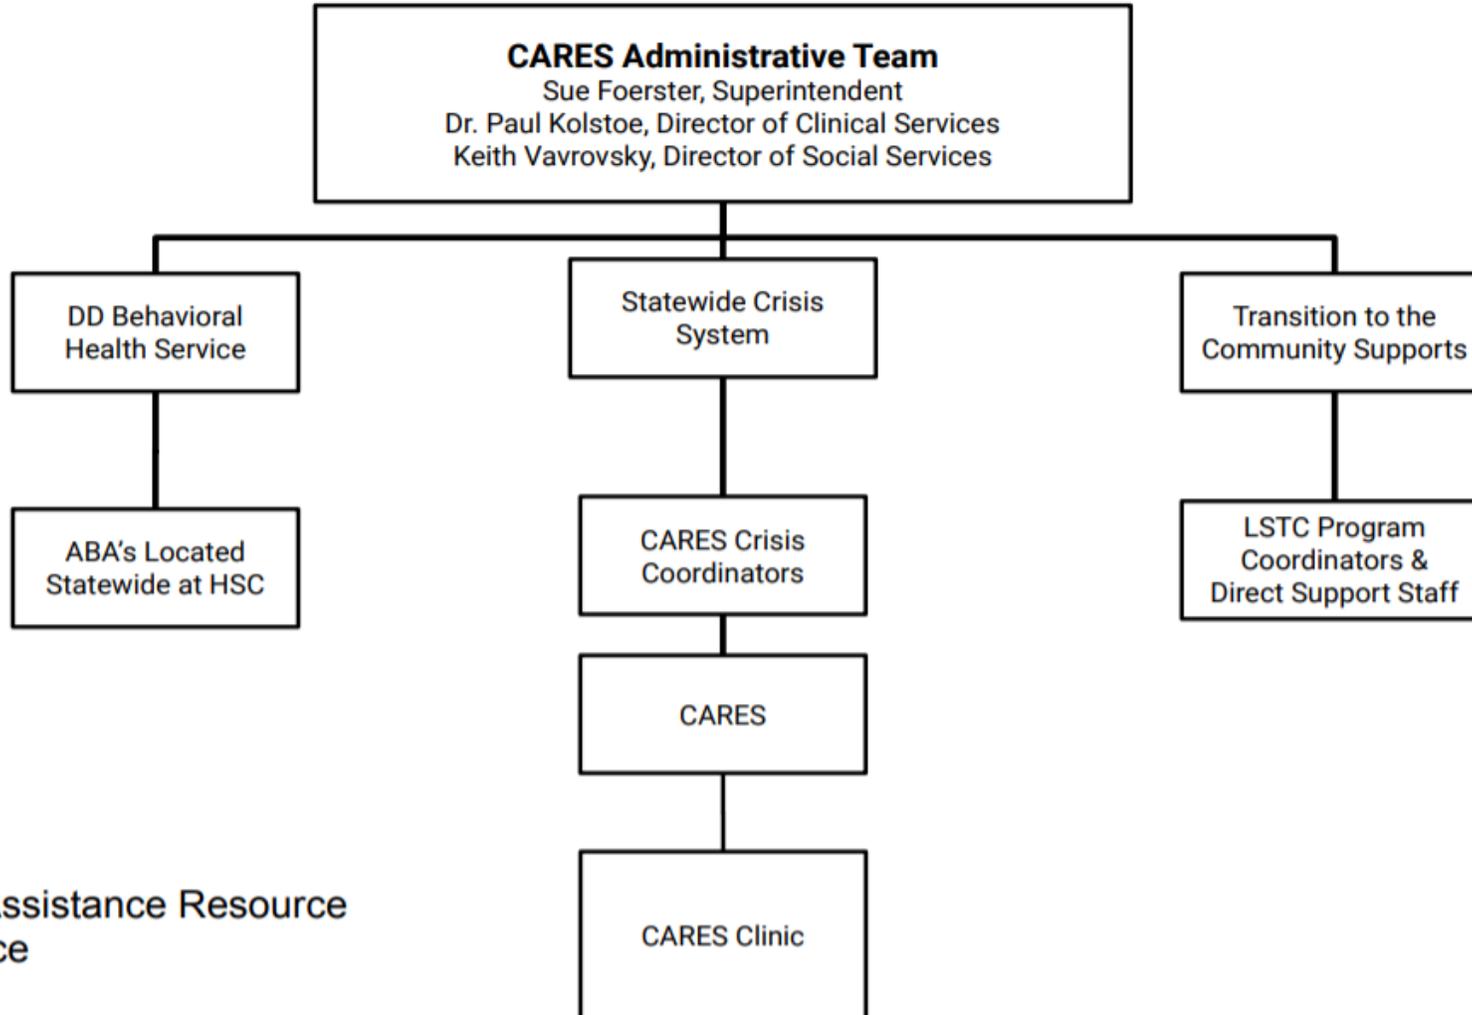

- On the road and **MAKING PROGRESS!***
- 8 Regional Review Committee Meetings have been held across 7 regions.
- **19 % Success Rate-** Seven of 36 people who participated in regional referral mtgs have moved.

2020 and Beyond

- **PERSON CENTERED** Regional Referral Meetings are the normal method utilized to introduce people to Provider organizations.

PERCENT OF LSTC CENSUS TURNOVER BETWEEN 2015-2020

2019 AND 2020 CENSUS AND ADMISSION TRENDS

- LSTC Current Census

(8-7-2020)

- 47 Adults -ICF
- 16 Youth- ICF
- 9 Adult Residential Habilitation

- Admission Trends

- 22 Admissions in 2019 and 2020 (through 8-7-20)
- In every case people admitted are having symptoms that are more extreme than families and providers are able to support at that point in time.
- We continue to see more admissions directly from family homes.
