Level of Care – full-time, part-time or hourly child care that is needed.

License - the right, authority, or permission granted by the Department of Human Services to operate a family child care home, group child care facility, child care center, or preschool educational facility. A license is required if the provider cares for six (6) or more children or cares for four (4) or more infants.

Loco Parentis – an individual (relative or non-relative) who is not the natural, adoptive or stepparent of the child but who assumes parental responsibilities and is physically caring for the child in their home on a 24-hour-a-day basis when the duration is expected to last over 30 uninterrupted days.

Lump Sum – Payments received on a recurring, non-recurring or irregular basis.

Minor Parent – an individual who has a marital status of never married, is under age 18, and is a natural or adoptive parent to a child. An individual is considered age 18 on the first day of the month of their 18th birthday.

Monthly Income – income from any source, either earned or unearned, which is computed and reduced to monthly units for the purpose of determining eligibility and benefits. Income may be received weekly, bi-weekly, semi-monthly, monthly, intermittently, or annually, but is computed and considered monthly.

Multiple Group Licenses - a child care facility where two group licenses are allowed per facility if the operations are physically separate, meet all the requirement standards of a group facility, and each operate totally distinct in its day-to-day operation both on paper and in practice.

Multiple Licensed Facility - an early childhood facility that provides more than one type of early childhood services.

Need – services that are required for a child whom needs child care while a caretaker(s) is participating in an allowable activity.

Overpayment – benefits received that exceed the amount for which the household is eligible.

Parent – a child’s mother or father, whether by birth or adoption, but does not include:

- An individual whose parental rights have been terminated; or
- A stepparent, when the natural or adoptive parent resides in the home.

Paternity – legal fatherhood established by marriage, adjudication in a court proceeding, adoption, or the voluntary acknowledgement of paternity. The United States Supreme Court has made it clear that the statutory term "parent" includes only "an individual who owed to the child a state-imposed legal duty to support."

Pension – a fixed sum paid regularly to disabled or retired individuals and in some instances to their dependents.

Preschool Educational Facility - a facility that offers early childhood services and follows a preschool curriculum and course of study designed primarily to enhance the educational development of the children enrolled in the facility and that services no child for more than three hours per day.

Prior Month – the calendar month immediately before the processing month for which the income and circumstances of the Child Care Assistance Program unit are evaluated to determine the amount of child care benefits to be paid during the benefit month.

Prospective income – the anticipated income to be received in a future month.

Qualified Provider - an individual 18 years of age or older, licensed, self-declaration, registered by a Tribe, or an approved relative who provides child care.

Recipient - an individual who is eligible the Child Care Assistance Program.

Recoupment – withholding of part of the Child Care Assistance Program household's assistance benefit to recover an overpayment.

Self-Declaration - the process whereby the Department of Human Services maintains a record of all in-home and self-declaration providers who have stated that they have complied or will comply with the standards prescribed. Self-declaration is available, although not required, for those child care providers who care for five (5) or less children.

Self-Employment –employment where people work for themselves rather than an employer, are responsible for their own work schedule, do not have taxes or FICA withheld by an employer, and do not have coverage under an employer's liability or Workforce Safety and Insurance.

Siblings – brothers and sisters (including full, half, or step) who are related through birth, adoption, or marriage.

Spousal Support – a voluntary or court ordered payment by an individual for support to their ex-spouse.

Chapter 28

State Maximum Monthly Share – the maximum amount the state will pay for a child eligible for the Child Care Assistance Program in a specific month.

State Rate – the maximum allowable amount the state allows for each child eligible for Child Care Assistance Program based on the Child Care Sliding Fee Schedule.

Stepparent – a person legally married to a parent after the birth or adoption of a child who is not the parent of that child by either birth or adoption.

Note: A child born after a marriage is dissolved is not a stepchild to the ex-spouse.

Temporary Absence – period of time an individual may be physically absent from a residence but still considered to be a part of the Child Care Assistance household.

Temporary Assistance for Needy Families (TANF) - a program available for a limited time for families where deprivation exists for the child(ren) and income is insufficient to meet the needs of the family. This includes Transition Assistance provided to families for up to 6 months to qualified TANF households.

Terminated Source of Income – Income, earned or unearned, that stops or ends and is not anticipated to begin again.

Timely Report of Changes - a change that is reported within 10 days from the date the event occurred.

Timely Verified – information that is provided within the required time frame.

Travel time – a reasonable time that it takes an individual to get to and from their allowable activity.

Chapter 28

Tribal Entity - an organization authorized by the government of an Indian tribe within North Dakota to license, register, or otherwise recognize a child care provider operating within the jurisdiction of that Indian tribe.

Tribal Registration – a provider who is registered through one of the Tribal entities in North Dakota.

Underpayment – a correction to benefits paid a household who was originally paid less than they were eligible to receive.

Unearned Income – income an individual receives without being required to perform any labor or service.

US Citizen – the status of being a native born or naturalized citizen of the United States.

Verification – the process and evidence used to establish the accuracy or completeness of information from an applicant, recipient, third party, etc.

Vocational Training – training related to a specific trade, occupation or vocation.

Waived Co-pay – low income families who are not subject to Co-pay requirements.

Work Study – Federal or non-federally funded employment arranged for students by a post-secondary school.

Working - earning a wage. Self-employment is also defined as work.

The Personal Responsibility and Work Opportunity Reconciliation Act of 1996 signed into law August 22, 1996 collapsed all child care programs into one entitled Child Care and Development Fund.

Effective October 1, 1996 this program created a simplified program using the same regulations for all child care needs.

These include:

1. Families receiving Temporary Assistance for Needy Families ([TANF](#)) benefits and who are involved in work or training activities and families who are transitioning off such benefits
2. Families receiving Diversion benefits
3. Families eligible for [Crossroads](#)
4. Low income families who are in [need](#) of assistance of child care to keep from becoming dependent on other assistance programs

Federal regulations may be found at Title 45 Department of Health and Human Services, Part 98, Child Care and Development Block Grant Act of 1990, section 5082 of the Omnibus Budget Reconciliation Act of 1990, Public Law 101-508 as amended and codified at 42 U.S.C. 9858.

Goals and Purposes 400-28-10-10

(Revised 10/1/11 ML #3278)

[View Archives](#)

The goals of the Child Care and Development Fund (CCDF) are to:

1. Allow states maximum flexibility in developing child care programs and policies that best suit the needs of the children and [caretakers](#) within the state
2. Promote caretaker choice to empower [working](#) caretakers to make their own decisions on the child care that best suits their family's needs
3. Encourage states to provide consumer education information to help caretakers make informed choices about child care
4. Assist states to provide child care to caretakers trying to achieve independence from public assistance
5. Assist states in implementing the health, safety, licensing, and registration standards established in state regulations

The purpose of the CCDF is to increase the availability, affordability, and quality of child care services. The program offers Federal funding to States, Territories, Indian Tribes, and the tribal organizations in order to:

1. Provide low-income families with the financial resources to find and afford quality child care for their children
2. Enhance the quality and increase the supply of child care for all families, including those who receive no direct assistance under the CCDF
3. Provide caretakers with a broad range of options in addressing their child care [needs](#)
4. Strengthen the role of the family
5. Improve the quality of, and coordination among, child care programs and early childhood development programs
6. Increase the availability of early childhood development, and before/after-school care services

Child Care Assistance Program

Division 10
Program 400

Service 400
Chapter 28

The federal regulations provide the basis for administration of the CCDF by providing that Lead Agencies:

1. Maximize caretaker choice through the use of [certificates](#) and through grants and contracts
2. Include in their programs a broad range of child care providers, including [center](#)-based care, family child care, [in-home](#) care, care provided by relatives, and faith based child care providers
3. Provide quality child care that meets applicable requirements;
4. Coordinate planning and delivery of services at all levels
5. Design flexible programs that provide for the changing needs of families;
6. Administer the CCDF responsibly
7. Design programs that provide uninterrupted service to families and providers, to the extent statutorily possible

In addition to the monies to be used for child care payments, quality monies in the grant are used for:

1. Licensing
2. Resource and referral services
3. Monies specified for services to specific children population groups such as infants and toddlers

Administrative Requirements 400-28-15

Confidentiality 400-28-15-05

(Revised 11/1/11 ML #3295)

[View Archives](#)

Information concerning households receiving assistance through the Child Care Assistance Program (CCAP) may be released only for the purposes directly connected with the administration of Economic Assistance Programs, Medicaid and Healthy Steps.

If a [caretaker](#) wishes the provider to be able to obtain information, the caretaker must sign an authorization of disclosure using the [SFN 1059 'Authorization to Disclose Information'](#).

Without a signed Authorization to Disclose Information, the only information that can be disclosed to a provider is whether the caretaker has applied or is receiving CCAP and if a payment has been issued to the provider on behalf of the family.

If a provider inquires as to why payment has not been made, no information can be disclosed without a current Authorization to Disclose Information.

Information **cannot** be disclosed on a CCAP [certificate](#) displaying the type(s) of program(s) that the caretaker may be on ([TANF](#), [JOBS](#), etc.).

Federal and state law recognizes the privacy rights of individuals who receive services and assistance under programs administered by the [county social service office](#). Confidentiality safeguards go into effect from the initial contact between the client and the county social service office. Initial contact may be as early as an inquiry about the application process or availability of services, depending on what personally identifying information was obtained. The safeguards apply to any personally identifying information, whether written or oral, and whether or not it is

incorporated into the client's records. Safeguards continue to be in effect as long as services or assistance are provided and continue afterwards indefinitely. They are not terminated by the cessation of services or assistance, or by the client's death. Safeguards continue to be in effect indefinitely even for [applicants](#) who do not become [recipients](#).

Information concerning households receiving CCAP can be released for purposes directly connected with the administration of the program. Agencies and individuals other than those specified below, who are requesting information concerning households receiving CCAP must obtain and provide a signed Authorization to Disclose Information from the caretaker/individual, legal guardian or an agency who has care, custody and control of a child prior to the information being disclosed.

This includes:

1. Information regarding an individual who received assistance in one case and is now being added to another case or applying on their own behalf, cannot be transferred from the old case file to the new case file without a signed Authorization to Disclose Information from the caretaker of the old case with the following exceptions:

Exception#1: The individual added to the new case or applying on their own behalf is now an adult (18 years of age) eligible in their own right and was a child in the previous case. If the individual indicates they received assistance in another case that individual's information can be added to the new case without a signed Authorization to Disclose Information.

Exception #2: Both [parents](#) of a child were part of the old case and the caretaker of the new case is one of the parents from the old case and no legal action has been filed (separation, divorce, etc.).

Note: Once legal action has been initiated, information from the old case cannot be added to the new case without a signed Authorization to Disclose Information.

2. Information being requested by other individuals within the county social service office or a partner agency (county social workers, housing assistance program staff, Treatment Homes (PATH), Division of Juvenile Services (DJS), Tribal Social Services staff,

Child Care Assistance Program

Division 10
Program 400

etc.), provided the information is not for the purpose of determining eligibility for CCAP, cannot be released without a signed release of information from the caretaker, with the following exceptions:

Exception #1: [Verification](#) of a child's Social Security Number and birth verification may be shared with a social worker or eligibility worker within the county social service office in order to determine eligibility for Foster Care Program.

Exception #2: When an eligibility case worker of a social service agency in another State or within North Dakota requests information regarding an individual applying for or receiving assistance:

- a. If the individual was the caretaker of a case in North Dakota, any information contained in the case file can be released without a signed Authorization to Disclose Information.
- b. If the individual was not the caretaker of a case in North Dakota, only that individual's information can be released.

Exception #3: Upon the written request of an elected public official, the name, address, and amount of assistance received by a CCAP household may be released without a signed Authorization to Disclose Information.

Exception #4: Upon the request of the state or county child care licensing staff, information may be released when needed for licensure purposes.

Information from the following interfaces can be used to determine eligibility for CCAP when the individual is also in receipt of assistance through TANF, SNAP or Health Care Coverage program. However, the confidentiality rules for TANF, SNAP and Health Care Coverage applies to information received through these interfaces:

- Social Security Administration (SSA)
- Internal Revenue Service (IRS)
- Unemployment Insurance Benefits (UIB) information
- Quarterly Wage Match from Job Service

Child Care Assistance Program

Division 10
Program 400

Service 400
Chapter 28

Information from these sources cannot be released to the client or any other agency.

For individuals who are not receiving assistance through TANF, SNAP or Health Care Coverage program, the interface information from SSA IRS or UIB cannot be used to determine eligibility for CCAP.

When TANF, SNAP or Health Care Coverage programs close and CCAP remains open, at the time the other program(s) close, the interface information from SSA or IRS cannot be used to determine eligibility for CCAP.

Note: The information that is currently being used for CCAP at the time the other program(s) closes continues to be used until the next time that income is redetermined. At the time the [income](#) is redetermined, if the TANF, SNAP or Health Care Coverage programs remain closed the SSA or IRS interface cannot be used.

In accordance with the agreement with Vital Statistics, the Vital Statistic information is owned by Vital Statistics at the State Health Department. Information received through the Vital Statistics Interface is to be used by eligibility workers to verify birth and association information for applicants and recipients. This information cannot be released to the applicant or recipient or any other agency and can only be used for the purpose of determining eligibility.

The North Dakota Department of Human Services and county social service boards, directly or through contractual or other arrangements, on the basis of race, color, religion, sex, national origin, age, or handicap, shall not:

1. Deny any individual aid, care, services, or other benefits provided under this program
2. Provide any aid, care, services, or other benefits to an individual which is different or is provided in a different manner from that provided to others under the program
3. Subject an individual to segregation or separate treatment in any manner related to receipt of any aid, care, services, or other benefits provided under the program
4. Restrict an individual in any way in the enjoyment of any advantage or privilege enjoyed by others receiving any aid, care, services, or other benefits provided under the program
5. Treat an individual differently from others in determining whether the individual satisfies any eligibility or other requirement or condition which individuals must meet in order to receive any aid, care, services, or other benefits provided under the program
6. Deny any individual an opportunity to participate in the program through the provision of services or afford the individual an opportunity to do so which is different from that afforded others under the program (including the opportunity to participate in the program as an employee where the primary objective of the federal financial assistance to the program is to provide employment, including a program under which the employment is provided to reduce unemployment)

Eligibility for the Child Care Assistance Program (CCAP) is determined primarily by information supplied by the [applicant/caretaker](#). Certain conditions of eligibility must be supported by conclusive, documenting evidence.

At time of application, 6 month review, or when a new member is added to the household, the household is required to provide the following [verifications](#):

- Identity of Applicant/Caretaker(s)
- [Citizenship](#) for children for whom CCAP benefits are being requested
- Age for children for whom CCAP benefits are being requested
- Caretaker's association to the child(ren) for whom CCAP benefits are being requested
- Verification of education
- Court ordered [child support](#) or court ordered [spousal support](#) deduction;
- All [income](#) received by the family, to include all earned, unearned and [self-employment](#) income

Should the applicant/caretaker be unable to obtain the required verifications, the eligibility worker may assist with obtaining the information.

Date of Application and Benefit Start Date 400-28-20-10

(Revised 11/1/11 ML #3295)

[View Archives](#)

[NDAC 75-02-01.3-02](#)

The date of the application is the date the signed application is received in the [county social service office](#). An application can be submitted to the county social service office in person, by mail, by fax or electronically.

The county social service office must document the date an application is filed by recording the date the application was received on the application.

The application must be signed to be considered an application. The application is considered signed if the signature is found anywhere on the application, other than in answer to a question contained therein.

If an unsigned application is received and has been date stamped by the county social service office, the unsigned application must be returned to the applicant. If the same application, now signed by the [applicant](#), is returned to the county social service office, that office shall date stamp the application with the date the signed application is received. Document in the case file the correct application received date.

Regardless of the means of submittal (in person, by fax, by mail or via electronically filing), an application received after business hours is considered received on the next business day.

The benefit start date will be the first day of the month the **signed** application is considered received in the county social service office or the earliest date of eligibility.

An individual applying for the Child Care Assistance Program (CCAP) may request assistance for the month prior to the month the application is

Child Care Assistance Program

Division 10
Program 400

Service 400
Chapter 28

received by so indicating on the application. Eligibility can be extended to the [prior month](#) if the applicant requesting such assistance meets all other CCAP eligibility requirements for the prior month.

If an application is received with a request for a prior month and eligibility for the prior month had been previously established, a new eligibility determination **is not** made for the prior month based on the new application. The previous determination remains valid.

If a caretaker did not request the prior month at the time of application, but later discovers a [need](#), the applicant can request and provide all information for the prior month no later than the last day of the 5th month following the month of application as payment is contingent upon CCAP billing forms being submitted within 6 months following the month care was provided.

Example: A caretaker submits an application for CCAP in August, and in November the caretaker informs the eligibility worker of the need for assistance with July child care. The caretaker must submit all information to process the payment by January 31st.

All such requests must be made in writing, with eligibility established based on the information that existed in that month. The eligibility worker must notify the family of the eligibility decision.

The processing timeframe for an application starts from the date the signed application is received in the [county social service office](#). If the [application month](#) is denied or withdrawn and benefits for the following month are requested, the processing timeframe starts effective the first of the following month.

The Child Care Assistance Program (CCAP) does not require a [face-to-face interview](#) in order to determine eligibility.

A child care billing report form is not required to process an application.

A decision to either approve or deny an application must be made no later than 15 days following the day the signed and dated application is received in the county social service office unless extenuating circumstances exist. The first calendar day following receipt of the signed application is day 1 of the 15 day processing timeframe.

If additional time is allowed due to an extenuating circumstance, the action must be taken no later than 30 days following the date of application.

Formal action (either approval or [denial](#)) must be taken on each month assistance is requested. If an application is not acted upon within the 15-day time frame due to extenuating circumstances, the case file must contain documentation identifying the extenuating circumstances that caused the delay.

If all the information needed to determine eligibility is not provided with the application, the application must be pended and a notice sent informing the [applicant](#) of the documents required. The 'pend' notice must clearly identify the information needed for the application month as well as any [prior month](#)(s) being requested.

The applicant has 10 days from the print date of the pending notice to provide the required information/[verifications](#). When the 10th day falls on a weekend or holiday, the information is deemed to have been provided timely if received by the county social service office by close of business the first business day following the weekend or holiday.

An application that is pending for additional information cannot be denied prior to the 15th day following the date of filing or the end of the 10th day from the print date of the pending notice, whichever is later. However, if it is determined the applicant is not eligible, the application can be denied at any time prior to the 15th day.

If the applicant does not provide the information requested in the pending notice for **any** of the months requested, each month that was requested must be denied.

If the applicant provides information for one month but not the other month(s), the month that the information was provided for can be processed and the other month(s) must be denied.

- If the applicant who requested but is not eligible for child care for the prior month is eligible for the month of application, the prior month is denied and the application is approved, effective the first of the application month.
- If the applicant who requested child care for the prior month is eligible for the prior month but not for the month of application, the prior month is approved, effective the first day of the prior month and the case is closed as of the last day of the prior month. The same application would be processed for the application month and denied.
- If the applicant who requested child care for the final two months of TANF is not eligible for the first month but is eligible for the second

Child Care Assistance Program

Division 10
Program 400

Service 400
Chapter 28

month, the application is denied for the first month and approved for the second month.

- If the applicant who requested child care for the final two months of [TANF](#) is eligible for the first month but not the second month, the application is approved for the first month and closed at the end of the first month. The same application would be use to process the denial for the second month.

Depending on the month of application, additional months may need to be processed using the same application.

An application may be withdrawn at any time prior to a decision being rendered. The request to withdraw the application can be made in writing or verbally by the applicant.

If an individual applies for CCAP and TANF, Diversion, or Crossroads at the same time, the application for CCAP must be pended until TANF, Diversion, or Crossroads eligibility is known.

If an individual applies for CCAP and TANF, Diversion, or Crossroads at the same time, requests CCAP for the prior month, and all information needed to process the prior month has been submitted, the prior month can be processed. In this situation the prior month is processed as [Co-pay](#) using actual [income](#) and a one month [certificate](#) issued. The case must be closed as of the last day of the prior month. The application month would be pended until TANF, Diversion, or Crossroads eligibility is known.

[NDAC 75-02-01.3-02](#)

A new application is required in the following circumstances:

1. Upon a family's initial request for assistance
2. When a Child Care Assistance Program (CCAP) case is in closed or denied status (including applications that are denied due to being withdrawn) unless the closed or denied status was caused solely by administrative error;

Note: A new application is not required when the Child Care Assistance Program is being requested for the month following the month of denial (see Section [400-28-20-25](#) New Application Not Required, #3).

3. When an application is denied due to the applicant's failure to provide information needed to determine eligibility.
4. When an application is denied due to being ineligible and the applicant did not request assistance for the month following the month of denial prior to the application being denied.
5. When there is a change in the [caretaker](#)
6. TANF cases where child care is needed through the CCAP

Note: If a TANF recipient was using child care as an [expense](#) deduction while receiving TANF and the TANF case closes, due to retrospective [budgeting](#) the expense deduction was not used during the final two months of TANF. If the recipient [needs](#) assistance with child care expenses for the final two months of TANF, the recipient must apply for CCAP no later than the last day of the month following the month the TANF case closed.

7. When a case is closed for no review and the review form was not submitted in the month following case [closure](#), thus resulting in a break in assistance of a full [calendar month](#).

A new application **is not required** in the following circumstances:

1. To approve a case denied in error or reopen a case when it has been closed due to agency error
2. If a case closes for no review, a review form may be used in the month following the month of case [closure](#)
3. If the [applicant](#) is not eligible in the month of application, the application must be denied. The same application can be used to determine eligibility for the month following the month of [denial](#). In this situation, the [application month](#) becomes the month following the month of denial and the application received date is the first day of the month following the month of denial. The application cannot be used for more than two months **except** when eligibility needs to be determined in the [prior month](#).

Example: An individual applies for the Child Care Assistance Program in April and request child care for the prior month of March. The individual is eligible for March but not eligible for April.

- The application is approved for March and closed March 31 because the individual is not eligible for April.
 - The application must be denied for April.
 - If eligible for May, the same application can be used.
4. When a case closes for failure to provide information, a new application is not needed to reopen the case (revert to open) when the recipient provides **ALL** requested information prior to the closure effective date. If the closure date is a weekend or holiday, the recipient must provide the information by the close of business on the last working day of the month in which the case will close.

In order for a child to be included on a certificate as needing care, the child must have a need for child care. To determine if a child has a need for child care:

- A child must need child care while the caretaker(s) is participating in an allowable activity. If a child does not have a need for child care, the child cannot be included on the certificate. Once need is established and a child is included on the certificate, the child will remain on the certificate until the next review.
- The families Co-pay must be less than the State Rate. If the Co-pay is more than the State Rate, the application must be denied or the case closed.

SIX (6) Month Review 400-28-25-05

(Revised 11/1/11 ML #3295)

[View Archives](#)

A review must be completed every 6 months. The 6 month review is due in the last month of the [certificate](#) period.

CCAP does not require a face-to-face interview in order to determine eligibility.

An [SFN 841](#), "Child Care Assistance Program Review" form is automatically sent to the [caretaker](#) in the month prior to the last month the certificate is valid. The caretaker must submit the completed and signed SFN 841, "Child Care Assistance Program Review" form in order for eligibility to be continued. The review form is considered signed if the signature is found anywhere on the review form, other than in answer to a question.

If an unsigned review is received and has been date stamped by the [county social service office](#), the unsigned review must be returned to the caretaker. If the same review, now signed by the caretaker, is returned to the county social service office, that office shall date stamp the review with the date the signed review is received. Document in the case file the correct review received date.

A completed, signed and dated SFN 841, "Child Care Assistance Program Review" is due in the county social service office by the 10th day of the final month covered by the current certificate. If the review form is not received by the 15th, a closing notice must be sent informing the caretaker that failure to submit a completed and signed form by the last day of that month will result in case [closure](#) at the end of the month the review was due.

Child Care Assistance Program

**Service 400
Chapter 28**

A decision to approve a review or to close the case must be completed within 30 days following the date the review is received in the county social service office unless extenuating circumstances exist. The caretaker has 30 days following the date the review is submitted to provide all verifications unless extenuating circumstances exist. The first calendar day following receipt of the review is day 1 of the 30 day processing timeframe.

If additional time is allowed beyond the 30 day period due to extenuating circumstances, an additional 15 days can be allowed. Therefore, action must be taken no later than 45 days following the date the review form is received. Document in the case file the cause(s) of any delay.

If a Child Care Assistance Program (CCAP) case is closed for failure to submit a completed review, the case remains closed as of the last day of the month in which a review is due, if:

- The 30th day from receipt of the review extends into a future month and the family fails to provide the required information by the 30th day; or
- The family is determined ineligible at any time during the month the review is due and through the 30th day.

If the signed and dated SFN 841, "Child Care Assistance Program Review" is received prior to the last day of the month the review was due and verification of information is needed, a Closure Notice must be sent. The notice must include:

- The specific information and verifications that are needed,
- The information and verifications must be provided within 10 days; and
- Failure to provide the information and needed verifications within 10 days will result in case closure at the end of the month the review was due, even if the 10th day extends into a future month.

The caretaker must be allowed at least 10 days from the date of the notice to provide necessary [verifications](#). When the 10th day falls on a weekend or holiday, the information is deemed to have been provided timely if received by the county social service office by close of business the first business day following the weekend or holiday.

Eligible Children 400-28-30

(Revised 11/1/11 ML #3295)

[NDAC 75-02-01.3-01](#)

An eligible child in the family or household is a child who needs child care and who:

1. Is under age 13
2. Is at least age 13, but under age 19, and who is physically or mentally incapable of caring for themselves as verified in writing by a physician or a licensed /certified psychologist
3. Is at least age 13, but under age 19, and is in need of supervised care as specified in a court order

A child will be considered "under age 13 or 19" through the month of the child's birthday.

Foster care children are not eligible for the Child Care Assistance Program (CCAP) as the Foster Care program provides for this service.

All eligibility information must be provided for each child for whom CCAP benefits are being requested. Any child for whom all information is not provided is not eligible for CCAP. However, that child is included in the household size and their [income](#) is considered.

The household must include the child(ren) for whom assistance is being requested and the following individuals residing in the home:

- The natural, adoptive or [stepparent\(s\)](#)
- All [siblings](#), (including half and step-siblings) who are under age 19

When two unmarried adults reside together, in order for a child to be considered a child in common, paternity of the child in common must be verbally acknowledged or legally adjudicated, or the parents must have signed a voluntary acknowledgement of paternity.

- If child care is being requested for a child in common of unmarried parents', both parents and the children of both [parents](#) must be included in the unit.
- If child care is NOT being requested for a child in common of unmarried parents', the child in common must be included in the unit(s) of siblings who child care is being requested.

Example: Household includes mom, her child, Dad, his child and a child in common. Mom is requesting child care for her child and Dad is requesting child care for his child. Child care is not being requested for the child in common. Since assistance is not being requested for the child in common, Mom and Dad must each complete an application for the Child Care Assistance Program. The child in common would be included as a household member in both Mom and Dad's household. Both Mom and Dad would have a 3 person household.

- The sibling(s) (including half and step-siblings) of the child for whom assistance is being requested
- The loco parentis and spouse of the loco parentis
- The loco parentis' and spouse's children under age 19

A minor parent who [needs](#) child care for their child(ren) and who is residing in his/her parents' home is considered a separate household and must apply on their own behalf.

- If the minor parent is determined eligible for [TANF](#) the case is considered TANF for the Child Care Assistance Program (CCAP).
- If the minor parent is determined eligible for Crossroads, the case is considered [Crossroads](#) for CCAP.
- All other minor parents are subject to [Co-pay](#), unless the minor parent is in receipt of TANF, or Crossroads.

If a minor parent is residing with their parent(s) and the parent(s) have a child(ren) for whom child care is requested, the minor parent and the minor parent's child(ren) are not considered members of their parents' case.

The following individuals are excluded from the household count:

- Children 19 years of age or older (child is considered 19 years of age through the month of the child's birthday)
- Any child for whom the household receives Foster Care payments
- An individual in the household who is not the [caretaker](#) or sibling of the child and not acting as loco parentis
- Parent(s) and other family members of a minor parent when the minor parent is requesting CCAP assistance

Persons Entering the Home

- New Applications:
 - When an individual enters the home prior to an application being approved, if required, the individual must be included in the child care assistance unit.
- Ongoing Cases:
 - When an individual enters the home and child care is not needed for the individual for the month of entry, the individual is not included in the child care assistance unit if their addition results in a decreased benefit or ineligibility for the month of entry. If required, the individual must be included in the child care assistance unit the month following the month of entry.
 - When an individual enters the home and child care is needed for the individual, the individual is added to the case for the month of entry, based on whether or not the information was timely reported and verified.

Persons Leaving the Home

- New Applications:
 - Individuals who leave the home prior to the application being approved or denied are not included in the child care assistance unit, unless the individual who left is a child and the child had a need for child care.
- Ongoing Cases:
 - Once a case is approved, individuals who leave the home are included in the child care assistance unit through the month in which they left. Effective the month following the month the individual left, the individual must be removed from the unit.

A household with one [caretaker](#) living apart from the children either in state or out of state, due to employment, education, training, or uniformed service may be eligible for the Child Care Assistance Program (CCAP) through the month in which they leave. The case must be closed and the new caretaker(s) with whom the child(ren) reside must apply. Should the first caretaker return home, the case for the second caretaker must be closed and the first caretaker must reapply.

A household with two caretakers where one of the caretaker's is temporarily living apart from the other caretaker and child(ren), either in state or out of state, due to employment, education, training, or uniformed service, is not considered absent from the home as long as he or she continues to function as a caretaker; even if the level of support or care is reduced. 1. If a child's health would be at risk, written documentation from a health care professional must be submitted to the CCAP State Administrator satisfactorily demonstrating the health risk to the child if the child is taken to an outside provider, or
2. For a disabled child, written documentation must be provided to the CCAP State Administrator demonstrating that the child's disability is such that taking the child to an outside provider creates an undue hardship.

The [Crossroads](#) Program is designed to assist with child care costs for individuals who are:

- [Parents](#) up to 21 years of age (prior to the month the parent turns 21 years of age)
- Parents who are male or female
- Parents who are married or unmarried
- Parents who have the primary responsibility for the care of their child
- Parents who are pursuing high school, a [GED](#) or alternative high school

The parent must be referred to the [county social service office's](#) Crossroads worker.

The parent must apply for the Child Care Assistance Program (CCAP) by completing an application for CCAP at the time they are applying for Crossroads if the parent does not have an open Child Care Assistance Program case. Upon receipt of the Crossroad's approval letter, the individual is eligible for CCAP to cover the costs of child care.

A copy of the Crossroads approval letter must be submitted to CCAP to verify the parent(s) is eligible for Crossroads. The approval letter shows the period of time the parent is eligible for Crossroads.

While an individual is eligible for Crossroads, work related child care for that individual can be reimbursed under CCAP. In these situations, the [certificate](#) must reflect education and work.

A parent, who participated in Crossroads in the previous school period and who intends to participate in Crossroads for the next school period is eligible for Crossroads coverage during the break between the two school periods even if the parent is only [working](#) during that time. When an individual eligible for Crossroads is married or resides with the parent of the child, CCAP will pay the Crossroads approved child care without regard to the activities or [income](#) of the spouse or second parent.

An SSI child in a Crossroads family is considered a Crossroads case as that child is eligible as Crossroads whether in receipt of SSI or not in receipt of SSI.

Crossroads policy does not allow a family to be eligible for TANF and Crossroads for the same month. Therefore, the child care type must be changed from Crossroads to TANF effective the first month of TANF eligibility.

Note: If the family chooses to remain Crossroads eligible, they must withdraw their TANF application or close their TANF case.

If the parent is not eligible for or chooses not to participate in the Crossroads Program, the parent can apply for CCAP and if all other program criteria is met, be eligible and is subject to the [Co-pay](#).

Child care for any allowable activity not identified on the employability plan **cannot** be paid through CCAP.

When a TANF recipient who is required to participate in the JOBS Program is not participating, child care will be paid for any activity the individual is participating in that is listed on the latest employability plan until the TANF case closes.

Example: Mom is required to participate in the JOBS Program in Job Search but fails to provide information to her case manager. The case manager completes the 'good cause' process and a sanction is imposed for October.

If Mom submits child care expenses for the months of September and October while searching for a job, since the latest employability plan lists her activity as Job Search and the Mom continues to be a JOBS participant through October 31st, the child care expenses for September and October while searching for a job can be paid.

Should the child care expenses for the month of September and October be a result of an activity not listed on the employability plan, those child care expenses cannot be paid unless Mom begins participating in the JOBS program and a new employability plan is received that includes these activities.

If a [TANF](#) or Diversion case closes and there **is a known** allowable activity, the [certificate](#) must be updated in the month following the case closure for TANF or Diversion. Effective the month following the month of TANF or Diversion case [closure](#) the case becomes [Co-pay](#).

If a TANF or Diversion case closes and there **is not a known** allowable activity which continues, a closing notice must be sent to close the Child Care Assistance Program case at the end of the month equal to the TANF Closure.

If a TANF monthly report is not completed and returned by the 15th of the month for a TANF or Diversion case, a Closure Notice must be sent to the household requesting information as to whether they continue to have a need and participate in an approved activity.

- If the family provides the completed TANF Monthly Report by the last day of the month and the TANF benefit for the future month is determined, the Child Care Assistance Program (CCAP) case will not be closed, or if closed the case can be "reverted to open."
- If the family does not provide the TANF Monthly Report but contacts the Eligibility Worker:
 - If the individual no longer has child care needs or will not be participating in an approved activity for the future month, the CCAP case remains closed effective the last day of the current month.

Social Security Number 400-28-50-30

(Revised 11/1/11 ML #3295)

[View Archives](#)

Disclosure of the Social Security Number (SSN) is **voluntary** and is requested for the purpose of accurate identification. Failure to disclose the SSN will not affect participation in this program. A hard copy of the SSN cannot be required.

The SSN for the [caretaker](#) and for each child requesting Child Care Assistance Program (CCAP) benefits may be provided by the caretaker.

If a caretaker or child does not have a SSN when application for CCAP is made, the eligibility worker may assist the family in the application process for a SSN if they choose to apply for a SSN.

If the SSN is not provided for either the caretaker or the child for whom assistance is being requested, the eligibility worker will assign a number for the caretaker whose name the case will be in and to the child(ren) who are requesting CCAP. The first three digits will be "999". The second two digits will be that of the county and the last four digits will be the next available number from the county roster.

Each county should keep a log of such cases so that numbers are not duplicated.

Example: If the family resides in Barnes County, the number will be 999-02-0001 for the caretaker. The child's number will be 999-02-0002. If there are more children, continue in numerical order with the last four digits.

If another family applies who need numbers assigned to them, they should be given the next available number on the county roster.

Child Care Assistance Program

**Division 10
Program 400**

**Service 400
Chapter 28**

Once a number is assigned by the eligibility worker, the number follows that individual regardless of the county the individual resides in, and is only updated if the caretaker provides the actual SSN.

If the caretaker provides their SSN but not the SSN for the children, use the SSN for the caretaker to establish case identification and assign a number for each child requesting CCAP using the process above.

If at a later date the caretaker provides an SSN for the caretaker and/or any eligible children, the number in the CCAP system is changed from the assigned number to the SSN.

In situations where there is a discrepancy (i.e. duplicate numbers for the same individual, the same number for two different individuals, etc), a copy of the SSN card may be requested but cannot be required.

[Caretakers](#) must be participating in an allowable activity to be eligible for assistance under the Child Care Assistance Program (CCAP). The following are allowable CCAP activities:

1. Work – Work is an activity in which an individual is engaged through employment or [self-employment](#). Work must entail personal involvement and effort on the part of the [applicant](#) or [recipient](#). Self-employment is also considered work.

The following are allowable work activities:

- Paid employment
 - Paid work studies, internships or assistantships (this includes when an individual is in a non-allowable postsecondary education program).
 - Self-employment
2. [Job Search](#) - Child care for job search is allowed for eight weeks in a calendar year. Job Search hours are limited to 20 hours per week. No additional hours are allowed for travel and breaks.
Exception: Job Search for [JOBS](#) recipients is included in their JOBS employment plan. Whatever is on the employment plan for job search is an approved activity.
 - Job Search hours are self-declared and the hours do not need to be verified unless questionable.
 - When a household includes two caretakers, each caretaker is eligible for eight weeks of job search per calendar year.

- An individual is considered in an [allowable postsecondary education](#) if the individual is pursuing a certificate, certificate of completion, or a one or two year degree in postsecondary or vocational school and does not have a previous degree as defined in non-allowable postsecondary education.
 - A student who is pursuing a one or two year degree, and has indicated they plan to continue their education to receive a bachelor's degree or beyond, can have child care paid towards the pursuit of completion of the one or two year degree only.
 - If otherwise eligible, the time caretakers are attending classes in skills and technology training or individuals who are participating in classes for English as a second language will be covered.
 - Attending high school or alternative high school or pursuing a [GED](#) is an allowable activity even if the individual is not participating in [Crossroads](#).
 - Traditional high school "attendance" is defined by the Department of Public Instruction (DPI) as:
 - Full-time - 4 or more classes
 - Part-time - less than 4 classes
 - Attendance in an alternative high school setting for full-time/part-time as identified by the school
 - GED may be full time/part-time.
 - If a high school diploma or GED is not required to receive a certificate it is not considered postsecondary education.

Example: A Certified Nurse Assistant (CNA) certificate is **NOT** considered postsecondary education as a high school diploma is not required to receive a CNA certificate.
 - Internet Classes – Child care related to completing on-line computer classes that meets the allowable education or training requirements is an allowable activity.
 - Vocational Rehabilitation education plans must follow CCAP education requirements.

Allowable Activities for TANF Recipients 400-28-55-10

(Revised 11/1/11 ML #3295)

[View Archives](#)

The Child Care Assistance Program (CCAP) can pay child care for [TANF](#) recipients only if the allowable activity is identified and the child care is approved on the [Job Opportunities and Basic Skills](#) (JOBS) or Tribal Native Employment Works (NEW) Program employability plan. Child care costs for any allowable activity not identified on the employability plan cannot be paid through CCAP. Participation in activities for the JOBS or Tribal NEW, including periods of time a TANF recipient is required to complete a Proof of Performance (POP) are considered allowable activities for TANF recipients.

If an individual is meeting their JOBS/Tribal NEW program requirement, CCAP can pay for any approved activities listed on the employability plan.

When a TANF recipient, who is required to participate in the JOBS Program, is not participating, child care will be paid for any activity the individual is participating in that is listed on the latest employability plan until the TANF case closes.

Example: Mom is required to participate in the JOBS Program in Job Search but fails to provide information to her case manager. The case manager completes the 'good cause' process and a sanction is imposed for October.

If Mom submits child care expenses for the months of September and October while searching for a job, since the latest employability plan lists her activity as Job Search and Mom continues to be a JOBS participant through October 31st, the child care expenses for September and October while searching for a job can be paid.

- Should the child care expenses for the months of September and October be a result of an activity not listed on the employability plan, those child care expenses cannot be paid unless mom begins

Earned income is income which is currently earned through the receipt of wages, salaries, or commissions before deductions for taxes, insurance, garnishments, etc., or profit from activities in which a family is engaged through either employment or [self-employment](#).

The types of countable income listed below are illustrations of earned income:

1. Wages, (including paid sick, vacation and holiday leave but not public or private disability payments) salaries, commissions, bonuses that occur on a monthly basis, or profits received as a result of holding a job or being self-employed
2. Earnings from on-the-job training provided by Workforce Investment Act (WIA) or Youthbuild USA
3. Income from work studies, internships, stipends, assistantships, or fellowships which require work participation to receive the income
4. Wages received from sheltered workshop employment
5. Tips: If tips are listed on the paystub, use what is listed on the pay stub as [verification](#) of the tips received. If tips are not shown on the wage stub, the individual's statement as to the amount of tips received each month is adequate if consistent with place, kind of employment and number of hours worked.
6. Income from boarders
7. Income from room rentals
8. Earned income in-kind. Non-monetary benefits are any gain that is not in the form of money payable directly to the household when provided by an employer in lieu of wages when the employee has an option.

Example: An individual [working](#) as an apartment manager receives a \$330 deduction from the rent. The \$330 deduction

Earned income received on a **regular** basis is considered received in the month available and normally received.

Note: When the receipt of **regular** income varies because of weekends or holidays, the income must continue to be counted in the month it would have normally been received or considered available had there not been a weekend or holiday.

Example #1: A pay check normally received on the first day of January is paid prior to January 1, due to the holiday. This income should be budgeted as received in January.

Example #2: An individual normally paid on December 31 is paid after January 1. This income should be considered as received in December.

Earned income received on an **irregular** basis is considered received in the month it is actually received.

Note: For an individual who has irregular earnings, a pay check may not be received each pay period. Even if the income is not received every pay period, the income is still considered received in the month it is actually received. When the receipt of [irregular income](#) varies because of weekends or holidays, the income must continue to be counted in the month it would have normally been received or considered available had there not been a weekend or holiday.

Wages held at the request of an employee shall be considered income in the month normally received.

If a bonus check is received on a monthly basis, it is considered countable income.

Earned Income Received on a Contractual Basis 400-28-65-10-25

(Revised 10/1/11 ML #3278)

[NDAC 75-02-01.3-07](#)

Earned income received on a contractual basis must be averaged over the number of months covered by the contract even if the income is paid in fewer months at the convenience or option of either party. The income that results from this prorate applies to [applicants](#) and [recipients](#), and is countable income. Examples of income received on a contractual basis are school teachers, bus drivers, etc.

Note: This policy can only be applied when a written employment contract exists.

Example: A contract begins August 23 and ends May 31. Although the payment for the contract may not be made until the contract is complete (in this case the end of May or the first part of June) prorate the income from the contract over the months covered by the contract. In this case, consider payments from August through May.

All earned income received by the family must be verified.

The primary [verification](#) of declared earnings is the pay record (pay stubs, etc.) verifying the gross wages received paid by the employer.

Documents or records available to verify earned income include but are not limited to the following:

- Pay stubs
- Employer's wage records
- A statement from the individual's employer that includes the name of the business, the name of the person who completed, signed and dated the form, along with the position they occupy in the business
- A copy of the contract if income is received on a contractual basis

All [self-employment](#) income must be verified and documented in the case file. Annual self-employment income must be averaged over the number of months the business was in operation, even if the income is received in fewer months. The income that results from this prorate applies to [applicants](#) and [recipients](#), and is used to determine eligibility and the benefit amount.

The prorata method of determining [monthly income](#) may not be practical in the following circumstances:

- The business was recently established and the federal income tax return for the previous year does not reflect a full year's operation.
 - Use the income tax return forms and annualize the income for the period of time the business has been in operation.
- The current condition of the business is not accurately reflected on the past year's income tax return due to a decrease or increase in the size of the operation, or an uninsured loss, or other situations which may require special considerations
 - Income and costs of good ledgers can be used or an estimate of the effect on the annual income based on the best information available from the household.
- Tax return forms have not been filed
 - Income and costs of good ledgers can be used or an estimate of the effect on the annual income based on the best information available from the household.

No income from any other source may be used to offset a self-employment loss.

When determining income based on income tax forms attention should be paid to other sources of income listed on page one of Form 1040. Other types of income that may be reflected on page one of Form 1040 are interest income, dividend income, rental income, royalty income, etc. Interest, dividend, rental and royalty income are to be considered separately from the self-employment income.

To arrive at the most equitable method for determining the amount of a household's countable earned income from self-employment, it is necessary to consider the type of business activity, [expense](#), and income. Based on this concept, one of the applicable calculations identified below shall be used.

1. Self-employed individuals whose business does not require the purchase of goods for resale. An example of this type of business is a person who provides child care services in their own home, a Qualified Service Provider (QSP) who is not an employee of an agency, etc. Such income may be accounted for on a monthly basis, or the income tax return from the previous year may be used if it reflects a full year's operation. When the tax return is used, 1/12th of the annual gross income is monthly earnings. Twenty-five (25%) percent of the gross monthly earnings shall be disregarded to offset the cost of producing the income and will cover such things as additional food, utilities, supplies, etc. The remaining 75% is the gross monthly earnings. The appropriate share percentage must be applied to the gross monthly income based on the number of individuals listed on the self-employment schedules. This is the figure to which the appropriate earned income disregards are applied to arrive at monthly net income.
2. Self-employed individuals whose business requires the purchase of goods for resale. Examples of this type of business enterprise include Avon, Tupperware, Amway, Mary Kay Cosmetics, etc. Such income may be accounted for on a monthly basis, or the income tax return from the previous year may be used if it reflects a full year's operation. In these instances, subtract the cost of the goods from the gross monthly or annual receipts to arrive at the adjusted gross income. If the cost of goods includes any labor or wage amounts,

Child Care Assistance Program

Division 10
Program 400

Service 400
Chapter 28

those amounts must be deducted from the cost of goods before subtracting the cost of goods sold from the gross monthly or annual receipts. When the tax return is used, 1/12th of the annual adjusted gross income is monthly earnings. Twenty-five (25%) percent of the adjusted gross income shall be disregarded to offset the costs of producing the income and will cover such things as sample kits, demonstrations, supplies, etc. Seventy-five (75%) percent of the adjusted gross income will be the monthly income. The appropriate share percentage must be applied to the monthly adjusted gross income based on the number of individuals listed on the self-employment schedules. This is the figure to which the appropriate earned income disregards are applied to arrive at monthly net income.

3. Self-employment income from a room-and-board arrangement. The first \$100 per month received from each individual will be disregarded to defray the associated expenses. The remaining amount(s) will be the monthly income to which the appropriate earned income disregards are applied to arrive at the monthly net income.
4. Self-employed individuals in a service business requiring purchase of goods or parts for repair or replacement. These include mechanics, TV repairmen, beauty salons, restaurants, etc. Such income may be accounted for on a monthly basis, or the income tax return from the previous year may be used if it reflects a full year's operation. In this instance, subtract the cost of goods or parts from the gross monthly or annual receipts to arrive at the adjusted gross income. If the cost of goods or parts sold includes any labor or wage amounts, those amounts must be deducted from the cost of goods or parts before subtracting the cost of goods or parts from the gross monthly or annual receipts. When the tax return is used, 1/12th of the annual adjusted gross income is monthly earnings. Seventy-five (75%) percent of the adjusted gross monthly income shall be disregarded to offset the cost of expenses such as heat, lights, phone, rent, or building, etc. Twenty-five (25%) percent of the adjusted gross income will be the monthly income. The appropriate share percentage must be applied to the monthly adjusted gross income based on the number of individuals listed on the self-employment schedules. This is the figure to which the appropriate earned income disregards are applied to arrive at monthly net income.
5. Income of self-employed individuals received other than monthly. In such cases, income must be established on the basis of the past

Child Care Assistance Program

Division 10
Program 400

Service 400
Chapter 28

year's total income to arrive at the amount of income to be anticipated for the current year and reduced to monthly increments. This is the preferred method of considering income arising from self-employment such as farming or other business enterprises. It is first necessary to establish the amount of total annual gross income. For purposes of CCAP, annual net income is normally defined as one-fourth of the annual gross income shown on Schedule F, Part I, of U.S. Form 1040, "Individual Income Tax Return," if the business is farming, or annual gross income shown on Schedule C, Part I, of Form 1040, if the business is other than farming.

6. CRP payments and cooperative distributions, which are considered [unearned income](#), should be deducted from the total income figure on Form 1040, Schedule F, and prorated over a 12-month period.

After the appropriate percentage disregard is applied to self-employment income, capital gains and losses are considered. Income resulting from the sale of capital items or ordinary gains may be offset by a loss from the sale of capital items. The net result (but not less than zero), must be added to the other annual net income to arrive at total net annual income.

Note: Capital gains and losses are always counted when considering actual income for a prior period. When using the prior income to estimate income for a prospective period, however, use capital gains and losses that are reasonably expected to occur in the prospective period.

Capital gains, short term and long term, and ordinary gains are found on the federal tax form as follows:

- a. Short term capital gains-Schedule D, Part I
- b. Long term capital gains-Schedule D, Part II
- c. Ordinary gains-Form 1040-Supplemental gains or losses

The following example demonstrates this process:

Gross annual income (from federal income tax return)	\$16,500.00
Net annual income (25% of \$16,500)	4,125.00
Capital and other gains	1,200.00
Yearly income	5,325.00
Monthly income (yearly income divided by 12)	443.75

The appropriate share percentage must be applied to the monthly adjusted gross income based on the number of individuals listed on the self-employment schedules.

Unearned Income 400-28-65-10-40

(Revised 11/1/11 ML #3295)

[View Archives](#)

[NDAC 75-02-01.3-07](#)

[Unearned income](#) is income not gained by current labor, service, or skill. Most unearned income is the result of past labor, services, or investments, which have enabled the individual to receive a current benefit or [pension](#). Unearned income for both [caretakers](#) and children who must be included in the [Child Care Assistance unit](#) must be counted.

The types of income listed below are examples of unearned income and must be considered available in their entirety (unless it is determined to be a nonrecurring [lump sum](#)):

1. **Child/Spousal Support payments** - Child Care Assistance Program (CCAP) requires use of Fully Automated Child Support Enforcement System (FACSES) if the [child support](#) is disbursed through the State Disbursement Unit (SDU).

The Eligibility Worker should use the View Eligibility Ledger Detail screen in FACSES to verify the amount of payment actually released to the caretaker.

If child support is received through SDU via check, direct deposit or electronic payment card (EPC), the eligibility worker must allow three working days from the check date shown on the View Eligibility Ledger Detail (VIEW) screen in the FACSES system for posting to the financial account to correctly determine when the income is received. Day one of the three-day count is the check date on the VIEW screen in FACSES.

NOTE: If a check is posted on the FACSES system on either of the last two working days of the month, it is counted as

Child Care Assistance Program

Division 10
Program 400

Service 400
Chapter 28

income for the following month as it will not be received by the individual until the month following.

For payments not processed through FACSES, day one of the three day count is the date on the check or child support statement.

If the child support cannot be verified through FACSES, hard copy [verification](#) must be obtained from the caretaker.

2. **Benefit Payments** - Benefits paid through the Social Security Administration , Veterans benefits, pensions from all sources such as Railroad, North Dakota Old Age and Survivors Insurance System, private pensions, Workforce Safety and Insurance, Unemployment Compensation, union compensation during strikes, military allotments, disaster unemployment benefits, general assistance, Three Affiliated Tribal elderly payments, etc.;

Note: Veteran's benefits designated for a specific purpose such as tuition, fees, books, etc. is not counted.

3. **Supplemental Security Income (SSI)**

4. **Loss-of-time private insurance or disability income** - Loss-of-time private insurance or disability income paid for the loss of employment due to illness.

5. **Rental and Lease Income** – Rental payments received without an appreciable amount of personal involvement and effort provided as a service to the tenant.

Note: Property taxes, interest on mortgage loans, and insurance premiums for coverage of potential loss on the rental property can be allowed as a deduction from the rental income.

Lease payments made to a household member for the use of lands occupied or owned by a household member.

Child Care Assistance Program

Division 10
Program 400

Service 400
Chapter 28

6. **Mineral Lease Income** - Mineral lease rentals, bonus payments and royalties.

7. **Dividends and interest** – Dividend and interest income received from investments and insurance, but not from checking or savings accounts.

8. **Individual Indian Monies** – Non-excluded lease payment income deposited in and disbursed through Individual Indian Monies accounts maintained by individual Indians by the Bureau of Indian Affairs as proceeds from the lease of lands held by the federal government in trust for the Indian;

Individual Indian Monies (IIM) will be prorated over a twelve-month period; (i.e., the income from the previous twelve months prior to application will be prorated over the twelve months following application). IIM up to \$2000 per year from lease of land is exempt. Other IIM is countable.

When new source income is deposited into an individual's IIM account, the countable amount will be determined as follows: Verification of the IIM account must be obtained for the most recent **Full** 12 month period through one of the three options currently identified in policy. Once verification of the IIM account is received, the eligibility worker will subtract any deposits that cannot be counted as IIM income, such as inheritances, VA, SSA, SSI, gaming profits, etc., based on current policy. Once those deposits have been subtracted, take the most current months, or an average if received for multiple months, new source income amount and multiply by 12. That amount must be added to all countable deposits for the twelve-month period (excluding the new source income deposited into the IIM account), deduct the \$2000 disregard, and then divide the remaining balance by 12 to determine the monthly countable unearned income.

Child Care Assistance Program

Division 10
Program 400

Service 400
Chapter 28

Example #1: In 02/2009, the eligibility worker learns that the individual began receiving a new source of income in 02/2009 through their IIM account. The eligibility worker will request verification of the IIM account for the period of February 1, 2008 thru February 28, 2009, the most recent FULL 12 month period, plus the current month of 02/2009, to capture the amount of the new source income.

Reviewing the ledger, the Eligibility worker would determine which income is countable. The new source income deposited in February was \$850. Multiplying \$850 by 12 equals \$10,200. The countable income, not including the new source income, for the FULL 12 month period (February 1, 2008 thru January 31, 2009) totals \$1,500. The total income to be considered for the 12-month period is \$11,700 (\$10,200 plus \$1,500). After deducting the \$2000 disregarded amount from \$11,700, \$9,700 must be annualized and the monthly amount of \$808.33 counted as unearned income.

Example #2: A new application is received in July and the eligibility worker requests verification of the IIM account for the period of July 1, 2008 thru June 30, 2009.

Reviewing the ledger, the Eligibility worker determines a new source income began to be deposited in April 2009. The Eligibility worker would first determine which income is countable. The new source income deposited in April was \$850, in May was \$790 and in June was \$825. The three months of the new source income would be totaled and divided by 3 and the average would be projected for a 12 month period (\$2,465 divided by 3 equals \$821.67). Multiplying \$821.67 by 12 equals \$9,860.04. The countable income, not including the new source income, for the 12 month period totals \$87.29. The total of income to be considered for the 12-month period is \$9,947.33 (\$9,860.04 plus \$87.29). After deducting the \$2000 disregard from \$9,947.33, \$7,947.33 must be annualized and the monthly amount of \$662.28 counted as unearned income.

Verification Options

There are three options by which verification may be obtained:

- a. Request for verification of IIM account information using form [SFN 413](#), Individual Indian Monies Account. This form will need to be notarized per requirements of the United States Department of the Interior, Office of the Special Trustee for American Indians, Office of Trust Funds Management. These releases are valid for one (1) year and must be renewed annually.
 - b. Individuals with IIM accounts receive statements from the Office of Trust Funds Management on a quarterly basis. A copy of this form may be requested from the [applicant](#) or [recipient](#). However, the applicant or recipient will not receive the statement if the Office of Trust Funds Management does not have a current address.
 - c. The individual may obtain a statement of their IIM account directly from the Office of Trust Funds Management through the Bureau of Indian Affairs (BIA) by requesting the information in person or by making a telephone request. In both cases, the individual will need to know their account number and provide at least two forms of identification.
9. **Conservation Reserve Program (CRP) payments** - When a CRP contract is set up the full payment may be received by the landlord or operator, or a portion of the payment may be paid to a tenant of the farm. A portion of the payment is allowed to be paid to a tenant when the tenant was farming the land, or had an interest in the property (i.e. was on the previous contract), in the year before the contract was signed. The CRP contract specifies the amount of the payment and to whom the payment is made. For purposes of determining eligibility, only count the share the applicant or recipient receives per the CRP contract.

Allowable [expenses](#) are those allowable costs of doing business that are claimed on the applicant or recipient's tax return, including property taxes and insurance as a deduction.

10. **Alaskan Dividend payment**

11. **Tribal gaming distribution payments**
12. **Tribal Spirit Lake Social Impact Payments** - Tribal Social Impact Payments (i.e. Spirit Lake Social Impact payments) are from Tribal gaming. The recipient receives the income annually and it is prorated over a 12 month period.
13. **Fund Raising** - Moneys received as a result of a fund raiser for individual tragedies if the family **receives** the funds directly.
14. **BIA General Assistance**
15. **Trust income received on a regular basis** - Submit all trusts to the Legal Advisory Unit for review and identify who is applying for assistance, send a complete copy of the trust agreement, provide verification of all assets owned by the trust, and provide any other relevant documents or information.
16. **Money from friends, relatives or others** - These funds are counted as unearned income if the money does not need to be repaid. If the money must be repaid, a written agreement must have been created at the time the money was received.
17. **Contracts or Contracts for Deed Installment** - Payments a household is receiving from an installment contract or contract for deed are considered unearned income. These payments must be prorated over the period of time they are intended to cover.

Actual [unearned income](#) must be verified. If the individual has an active [TANF](#), SNAP or Medicaid case, the primary [verification](#) for Social Security Administration (SSA) benefits will be the established through the State Data Exchange (SDX) or Third Party Query (TPQY) interfaces. When circumstances warrant, contact with the Social Security District Office to obtain benefit information may be necessary.

If there is not an active TANF, SNAP or Medicaid case, the verification cannot be obtained through the TPQY or the SDX Interfaces. For individuals who are not receiving assistance through TANF, SNAP, or Health Care Coverage programs, the interface information from SSA, Internal Revenue Service (IRS), or Unemployment Insurance Benefits (UIB) cannot be used to determine eligibility for CCAP.

When TANF, SNAP, or Health Care Programs close and CCAP remains open, at the time the other program(s) close, the interface information from SSA, IRS, or UIB cannot be used to determine eligibility for CCAP.

Note: The information that is currently being used for CCAP at the time the other program(s) closes continues to be used until the next time that income is redetermined. At the time the income is redetermined, if the TANF, SNAP, or Health Care Programs remain closed, the SSA, IRS, or UIB interface cannot be used.

1. Earned income of all children in the household through the month of their 19th birthday and provided that the child is not a [caretaker](#) under this program. School attendance has no bearing on the income being excluded
2. Earned and [unearned income](#) of a Crossroad family
3. Earned and unearned income of a [TANF](#) or Diversion family
4. Any bonus, incentive payment, etc. that is not received every month
5. Reimbursement for expenses incurred in connection with employment. Example: Air Force personnel who receive income that is to be used for uniforms, this is to be deducted from the normal pay
6. Combat Pay - Any additional monies received by a household as the result of the deployment of a service member to a designated combat zone excluded.

To determine the amount of service member's income that will be disregarded, compare the amount received before deployment and the amount received after the deployment. The difference between the two amounts is the amount that will be disregarded.

Example: Dad was making \$1,000 gross pay before deployment to a combat zone. He now is receiving \$1,400. Disregard the additional \$400.

45. Federal Emergency Management Agency (FEMA) Disaster payments including Disaster Unemployment Benefits
46. Payments for Care and Maintenance of Non-Household Member(s) - When monies are received by a child care household for the care and maintenance of a non-household member, the payment that is identified as belonging to the non-household member is excluded if the caretaker can provide documentation that the monies received have been given to provide for the care of the non-household member.

Example #1: A caretaker is receiving [child support](#) in the amount of \$150.00 per month per child for two children. The caretaker reports one of the children has moved and is residing with a grandparent. The portion of child support for the child who moved (up to \$150) that the caretaker gives to the grandparents is not countable income to the caretaker.

Example #2: A caretaker is a protective payee for an adult non-household member who receives SSI. The SSI payment would not be counted as income.

[NDAC 75-02-01.3-07](#)

[Unearned income](#) received on a non-recurring or irregular basis is considered nonrecurring lump sum payments and are not countable.

Nonrecurring lump sum payments are limited to only those payments that can reasonably be expected not to occur again. Examples of nonrecurring lump sum payments include, but are not limited to:

- Lump sum payments from Social Security
- Lump sum payments from Railroad Retirement
- Lump sum payments from Veterans benefits
- Lump sum payments from Workforce Safety and Insurance
- Lump sum payments from Unemployment Compensation
- Military Re-enlistment payments
- Insurance settlements
- Inheritances
- Contests
- Gambling winnings
- Severance pay (represents a nonrecurring compensation outside of regular earnings)
- Income tax refund
- Employee's withdrawal of a retirement fund taken in a lump sum payment
- Supplemental Security Income (SSI) back payment
- Bonus payments on mineral leases

[NDAC 75-02-01.3-07](#)

[Unearned income](#) received on a recurring or regular basis is considered recurring lump sum payments. This income is countable and must be prorated over the period the payment is intended to cover.

Recurring lump sum payments received after application for the Child Care Assistance Program are prorated over the number of months the payment is intended to cover.

Note: The prorated lump sum payment must continue to be counted if the case closes and then reopens during the prorate period or within the following prorate period. This prevents cases from being closed temporarily to avoid using the lump sum income.

Examples of recurring lump sum payments include, but are not limited to:

- Land rental income
- CRP
- IIM monies
- Mineral Royalty/Lease Income

For treatment of *Earned Income* lump sum payments, see Section [400-28-65-10-20](#), Earned Income - When Received.

Terminated Source of Income 400-28-65-25

(Revised 11/1/11 ML #3295)

[View Archives](#)

[NDAC 75-02-01.3-07](#)

Income is considered a [terminated source of income](#) when the final payment of income is received in the [month prior](#) to, the month of, or the month following the month:

- The application is received;
- The 6 month review is due;
- The case changes from [Waived Co-pay](#) to [Co-pay](#)

If at application, 6 month review, or when a case changes from Waived Co-pay to Co-pay and the caretaker indicates income has ended from any source, the caretaker must provide verification of the terminated source and the last date it was received. Since income eligibility is determined prospectively, this income would not be used as it is not an ongoing source of income and will not be received during that certification period.

Note: If verification of the terminated source income and the last date it was received is not provided, the application must be denied or the case closed.

If a caretaker is requesting child care for the month prior to the month of application and the caretaker indicates income has ended from any source, the caretaker must provide verification of the terminated source and the last date it was received. All actual gross income received in the prior month is used to determine eligibility for the prior month including terminated sources of income.

When adding a person to an ongoing case and the caretaker indicates the added individual's income ended from any source, the caretaker must provide verification of that individual's terminated source of income and the last date it was received. That income would not be used as it is not an

Child Care Assistance Program

Division 10
Program 400

Service 400

ongoing source of income and will not be received during the remainder of the certification period.

Note: Gross income of existing individuals in the case continues to be counted until the next review whether or not the existing individual's income terminates.

If a caretaker in an ongoing case reports that income from a specific source is terminated, no changes in income are made as changes in income do not affect eligibility during a certification period.

Allowable deductions are deducted from gross countable [income](#). Allowable deductions must be verified. If the allowable deductions are not verified, they cannot be allowed.

The only allowable deduction from gross countable income is court ordered child/spousal support paid, including arrearages.

If a [prior month](#) is being requested, actual deductions paid during the month are used.

A household must be given the opportunity to verify allowable deductions. If a household has been given that opportunity and does not provide the [verifications](#), the case is processed without consideration of the claimed deductions.

If deductions are not provided when requested, but provided after the case has been processed, the deductions cannot be used. The household will be given the opportunity to claim those [expenses](#) at the next application, 6 month review and when a case changes from [Waived Co-pay](#) to [Co-pay](#) to provide current information.

If a household member was being allowed deductions and leaves the household, the allowable deduction is removed when the household member is removed.

Court ordered child or [spousal support](#) paid, including arrearages, are allowable deductions. Any other private arrangement for child/spousal support being paid, which are not court ordered is not allowed even if the individuals have a mutual agreement.

Court ordered child or spousal support payments made to an individual outside the home or to an agency must be allowed even if the child or spouse for whom the support was paid is a household member.

If child or spousal support is being withheld from [income](#) as a result of a court order (income withholding) and this is reflected on the paystubs and the [child support](#) is going to the ND State Disbursement Unit, any other disbursement unit or Clerk of Court (which verifies that it is actually being received by that unit), use the amount on the paystub and the obligor's pay date to determine the date paid. In this situation, the obligor has paid the monies per the court order and how long it takes the employer to get the monies to the State Disbursement Unit, other disbursement unit, or Clerk of Court and when the monies are released to the obligee does not affect the fact that the obligor has paid and for Child Care Assistance Program (CCAP) purposes will be considered paid at the time the monies are taken from the paycheck.

If court ordered child support or spousal support is being paid directly by the obligor to the ND State Disbursement Unit, or other disbursement unit, or Clerk of Court [verification](#) of monies being received by the ND State Disbursement Unit, any other disbursement, or Clerk of Court must be provided. In this situation, CCAP will consider that the obligor has paid the

monies when the monies are received by the ND State Disbursement Unit, any other disbursement unit, or Clerk of Courts.

Overpayment being deducted from payments such as Social Security Disability, Survivors and Retirement, Supplemental Security Income (SSI), and Veteran's Administration (VA) benefits are normally considered to be available because the [applicant](#) or [recipient](#) can pursue a waiver of the overpayment. Only if the waiver has been denied after a good faith effort, can the overpayment deductions be considered unavailable.

Occasionally other delinquent debts owed to the federal government may be collected from an individual's benefit. These other reductions of benefits are not allowed to reduce the countable benefit amount. The award amount of the benefit is counted as available.

[Income](#) for the Child Care Assistance Program (CCAP) is [converted](#) to a [monthly income](#). Income must be converted for all cases where income (both earned and unearned) is received either weekly or biweekly.

Income conversion does not apply to the following:

- Income for individuals who have a [Waived Co-pay](#) as income is not counted
- [Self-employment](#) income
- [Child support](#) income
- When eligibility is being determined for the month prior to the [application month](#)
- Individuals paid monthly, semi-monthly, or irregularly

Note: Tips, commissions, monthly bonuses or incentive that are paid monthly, semi-monthly, irregularly and are not included on the paystub are not converted. The tips, commissions, monthly bonuses or incentives must be counted separately as earned income.

For regular income if an individual is paid weekly or bi-weekly but did not receive a paycheck for each pay period, the wages must still be converted. To convert the wages in this situation total the number of paychecks received and divide by the number of checks to arrive at either a weekly or bi-weekly amount.

[Income](#) and the amount paid to the provider are to be rounded down to the nearest dollar.

- On the Excel Spreadsheet, enter the full amount of income and the spreadsheet will round down the income after allowable deductions are subtracted.
- For the computer system, the eligibility worker should round down the gross amount of income prior to entering the income on the calculation screen.

Example: A family has multiple paychecks each month from a couple of jobs. After conversion of the income, the total income equals \$700.75 from job A, \$50.82 from job B and \$643.18 from job C, total \$1394.75. The family pays \$144.00 in [child support](#). Total countable income is \$1250.75 and is rounded down to \$1250.00.

The income level does not apply to TANF, Crossroads, or Diversion cases as income for these cases is not counted. The income level applies to Co-pay cases.

Gross [income](#) is the income before any deductions. The gross income, earned and unearned, of all household members will be used for the Child Care Assistance Program (CCAP) including the members in a [loco parentis](#) household, [stepparent](#), and unmarried couples where [paternity](#) of at least one child in common is acknowledged or adjudicated.

Countable income is determined by taking the gross countable income and deducting court ordered child and/or [spousal support](#).

The countable income and household size of the family is matched against the [Child Care Sliding Fee Schedule](#) to determine if a family meets the income level for CCAP.

The household's income must be tested against the income level and applied to the Child Care Sliding Fee Schedule at initial application, 6 month review, when adding and removing household members and when a case changes from [Waived Co-pay](#) to [Co-pay](#).

If countable income exceeds the income limit on the Child Care Sliding Fee Schedule based on the household size, the household is not eligible and the following action must be taken:

- At application, the application will be denied
- At 6 month review, the case will be closed

[Verification](#) of gross [income](#) and allowable income deductions for all household members is required at application, 6 month review, or when a case changes from [Waived Co-pay](#) to [Co-pay](#).

When adding a household member, only the household member who is being added must verify their gross income and allowable income deductions. No change in income is made to the income of the already existing household members.

When removing a person, the gross income and allowable income deductions of the person being removed is deleted for the same month the individual is being removed from the case.

When a case goes from Co-pay to Waived Co-pay, the gross income and allowable income deductions do not count and must be removed from the system.

Calculating Allowable Child Care Hours 400-28-80-10

(Revised 11/1/11 ML #3295)

[View Archives](#)

To calculate the [Level of Care](#), the eligibility worker must determine the actual allowable hours by:

- Determining the weekly allowable activity hours for the [caretaker](#) for **each** activity
- Determining the weekly schedule for each child
- Determine each child's Level of Care using the caretaker's schedule and the child's schedule
 - Any weekly hours the caretaker is participating in an allowable activity and the child needs care during the time the caretaker is in the allowable activity will determine the child's hours of needed care per week.
 - The child's hours of needed care per week determine the Level of Care of full time, part-time, or hourly.

When determining the caretaker's activity schedule:

- If the caretaker has a set schedule and the schedule is not questionable, use the caretaker's schedule to calculate each child's hours of needed care per week.
- If the caretaker does not have a set schedule and informs the Eligibility Worker of their schedule, if the schedule is not questionable, use the caretaker's schedule for the same month the income is used to calculate each child's hours of needed care per week.
- If the caretaker does not have a set schedule and the caretaker provides a schedule that is questionable, the caretaker must provide verification of the schedule for the same month as the income is used. Use the caretaker's verified schedule to determine each child's hours of needed care per week.

The following methods must be used to determine the weekly allowable activity hours of the caretaker's activity:

Child Care Assistance Program

Division 10
Program 400

Service 400
Chapter 28

1. Work Hours Calculation

Weekly work hours are determined by using verified paystubs, employer's statements, etc. Refer to 400-28-80-15, Travel Time and Lunch Break Calculation, to determine additional allowable hours.

If the caretaker is engaged in ongoing employment:

- Paystubs from the month of application are used if all are available and are reflective of the anticipated work hours.
- If paystubs from the month of application are available and are not reflective of the anticipated work hours, the caretaker must provide verification of the anticipated work hours and these hours will be used to determine the weekly allowable activity hours.
- If all paystubs from the month of application are not available paystubs from the month prior to the application month are used if they reflect the anticipated work hours.
- If paystubs from the month prior to the application month are not reflective of the anticipated work hours, the caretaker must provide verification of anticipated work hours and these hours will be used to determine the weekly allowable activity hours.

If the caretaker begins new employment the caretaker must provide verification from the employer of the anticipated weekly work hours.

Once hours have been established, the worker must calculate the weekly average hours for the allowable activity of the caretaker.

Child Care Assistance Program

Division 10
Program 400

Service 400
Chapter 28

To calculate the number of weekly work hours the following methods are used:

- For individuals who are paid weekly, the total number of work hours shown on all pay stubs received in the month are divided by the number of pay stubs in the month to arrive at the average weekly hours worked.
- For individuals who are paid bi-weekly, the total number of work hours shown on the pay stubs received in the month are divided by the number of pay stubs received in that month to arrive at the average number of work hours per pay period. The pay period total hours are then divided by 2 to arrive at the average weekly hours worked.
- For individuals who are paid semi-monthly, the total number of work hours shown on both pay stubs received in the month are divided by the number of pay stubs received in that month to arrive at the average number of work hours per pay period. The pay period total hours are then divided by 2 to arrive at the average weekly hours worked.
- For individuals who are paid monthly, the total number of work hours shown on the pay check received in the month are divided by 4 to arrive at the average, weekly hours worked.
- For individuals who are paid on an irregular basis, the total number of work hours shown on the paystub(s) received in the month are divided by 4 to arrive at the average weekly hours worked. (e.g. Individuals who work on call, as needed, etc.)

If an employer verifies a range of work hours, the higher number of work hours verified will be used as the allowable activity hours for the caretaker.

Note: The pay stubs, employer statement, work schedule, etc., that was used to determine the [income](#) eligibility must be the same paystubs, employer statement, work schedule, etc., that is used to determine allowable activity hours.

For individuals who are self-employed, the individual must provide a schedule completed by the individual, listing the hours the individual will participate in their self-employment activity for the month of application and the month prior to the month of application.

Child Care Assistance Program

Division 10
Program 400

Service 400
Chapter 28

- The hours for the month of application are used if they are reflective of the anticipated work hours.
- If the hours from the month of application are not reflective for the future, the hours from the month prior to the application month are used if they reflect the anticipated work hours.
- If the hours from the month of application or the month prior to the month of application are not reflective of the anticipated work hours, the caretaker must provide a schedule, completed by the individual, listing the hours anticipated to work for the future month.

2. Student Hours Calculation

Student credit hours must be verified by a class schedule. Two (2) hours will count for each credit hour per week a student is enrolled in an allowable education activity. Refer to [400-28-80-15](#), Travel Time and Lunch Break Calculation to determine additional allowable hours.

Example: A class schedule verifies 12 credit hours. The student is allowed 24 hours per week of allowable activity hours.

Students who attend classes that are NOT based on credit hours, their hours must be verified based on a class schedule that lists the hours the individual is required to attend class. Refer to 400-28-80-15, Travel Time and Lunch Break Calculation to determine additional allowable hours.

Example: An individual is attending Beauty School and attends class from 8:30 am to 5:00 pm Monday thru Thursday and from 8:00 am to 12:00 pm on Friday, based on her class schedule. The student is allowed 38 hours per week of allowable activity hours.

Hours can be allowed for a caretaker in education who has a break of less than a full [calendar month](#) between terms, if the provider charges for time during the break.

Example: An individual was in education from August through early December and will return to school in January. The provider continues to charge the individual during the break. The same level of care should continue during the semester break so as to not disrupt the family's child care availability.

Reasonable [travel time](#) and breaks must be allowed while participating in an allowable activity. For all activities, an additional 25% of the [caretaker's](#) allowable weekly activity hours will be added to their hours to allow for travel time and lunch breaks.

Exception: Time for travel and lunch break are not allowed for [Job Search](#).

At the end of the calculation the hours are rounded up.

Example: If the caretaker is an allowable activity 17 hours per week:

$$17 \times .25 = 4.25 \text{ hours}$$

$$17 + 4.25 = 21.25$$

Rounded up to 22 hours

The caretaker's allowable activity hours per week are 22.

If the caretaker's travel and break time exceeds the 25%, this will need to be reviewed on a case by case basis. The case must be documented to support the additional hours for travel and breaks.

The days and number of hours per day that the child was absent because of their illness or to attend medical appointments must be listed on the Child Care Billing Report form.

Hours will not be allowed when:

- The provider is absent for any reason (e.g. such as medical, holiday, vacation, temporary illness)
- The caretaker(s) is absent from the allowable activity for any reason (e.g. such as medical, holiday, vacation, maternity leave, temporary illness)

Note: Hours are allowed for a caretaker who is a student during breaks of less than a full calendar month between terms, **if** the provider charges for time during the break.

A school age child is considered a student year round. If the child is school age, the time they are required to be at child care is based on the child's school schedule and the [caretaker's](#) allowable activity hours.

The number of weekly hours that a school aged child is required to be at child care is calculated by comparing the child's school schedule with the caretaker's allowable activity.

When a school age child is determined to have a child care need an additional 36 hours per month will be added for days there is no school. 36 divided by 4 equals 9. The 9 hours a week are added to the child's weekly hours.

The total weekly hours will determine the Level of Care from the [Child Care Sliding Fee Schedule](#). The Level of Care determination is entered on the [certificate](#).

Federal regulations require each family receiving Child Care Assistance Program (CCAP) benefits to contribute towards the monthly costs of such care.

- The portion that a family is responsible to contribute is called a [Co-pay](#).
- The Co-pay that is applied to child care costs incurred each month is referred to as [Family Monthly Co-pay](#).

The Co-pay requirement is waived for families receiving [TANF](#), Diversion and Crossroads.

Families who are not waived from the Co-pay requirement are subject to a Family Monthly Co-pay when determining their CCAP eligibility. In addition to the Co-pay, the family is responsible for any amount that is charged over the [State Maximum Monthly Share](#) amount.

It is the responsibility of the provider to collect the Co-pay from the family. [Verification](#) that the Co-pay has been paid is not required.

When payment is being determined, the Family Monthly Co-pay is deducted from the amount billed on the Child Care Billing Report Form.

When applying the Family Monthly Co-pay to payments:

- The Family Monthly Co-pay is applied to the provider who is first entered into the payment system. If there are two providers, the Family Monthly Co-pay is applied to the first provider entered into the payment system. If any amount of the Family Monthly Co-pay is remaining it will be applied to the second provider, etc.
- If the Family Monthly Co-pay is greater than the child care costs incurred in a month, no child care payment will be made for the month.
- If the Family Monthly Co-pay is less than the child care costs incurred, the Family Monthly Co-pay is deducted from the billed amount and the remaining billed amount is the maximum payment that will be made.

Provider Requirements and Information 400-28-105

Overview 400-28-105-05

(Revised 10/1/11 ML #3278)

[View Archives](#)

This section provides information regarding the requirements a provider must meet in order to receive payment from the Child Care Assistance Program (CCAP).

To be eligible for CCAP the child care provider must:

- Be 18 years of age or older, and
- [Licensed](#), [self-declaration](#), an [approved relative](#) or [registered](#) by a Tribe
- Complete a W-9

NOTE: If a North Dakota licensed, self-declaration, approved relative, or [Tribal registration](#) moves, it invalidates the current licensed, self-declaration, approved relative, or Tribal registration.

- If an eligibility worker becomes aware that an approved relative provider has moved, the eligibility worker must notify the State CCAP office of the move.
- If an eligibility worker becomes aware that a licensed or self-declaration provider has moved, the eligibility worker must notify the county licensing staff.

Providers who are registered or licensed by a Tribe or licensed by the air force bases may be accepted by the CCAP program. Out of state providers who live in bordering cities are acceptable providers. All of these providers must submit a copy of their current licenses, and a "W-9, Request for Taxpayer Identification Number and Certification" to the State CCAP office. Renewed licenses, registrations, and self-declarations must be submitted yearly by the provider to the State CCAP office along with a current W-9.

Relative providers approved to provide care for specific children are given a provider ID number by the State CCAP office. Their continued enrollment in

CCAP is contingent upon being updated annually and their submitting an updated W-9 each year. If the relative provider moves, the approval becomes invalid and the relative provider needs to reapply.

A [sibling](#) who lives in a separate residence from the child can be a provider if they comply with all applicable requirements to be a licensed, self-declaration, approved relative or Tribal registration.

An [approved relative](#) provider is required to maintain attendance records for each child receiving child care assistance. To accomplish this, the provider may use sign-in/sign-out records to indicate the child's name, the date, the hour, and the minute when the child enters and leaves the provider's care. The provider shall make the attendance records available to state and county social services upon request. The provider shall manage the attendance records in a manner which protects the identity of families receiving assistance.

Child Care Assistance Program applications cannot be approved and a certificate cannot be issued or updated unless the provider is [licensed](#), Air Force Base licensed, under [self-declaration](#), an [approved relative](#) provider, or [registered by a Tribe](#).

If the provider is not licensed, Air Force Base licensed, under self-declaration, an approved relative provider, or registered by a Tribe, and the provider will not complete that process within the processing time frame for an application, the caretaker must find another provider who is licensed, Air Force Base licensed, under self-declaration, an approved relative provider, or registered by a Tribe, or the application must be denied.

Child care will go back to the first of the month in which the provider's licensed, Air Force base license, under self-declaration, an approved relative provider, registered by a Tribe is effective.

If an [applicant](#) applies and requests child care for a [prior month](#) and the provider's licensed, Air Force Base license, under self-declaration, an approved relative provider, registered by a Tribe was not effective in that prior month, payment cannot be made to that provider.

If the provider's licensed, Air Force Base license, self-declaration, approved relative provider, registered by a Tribe expiration date is during a month, payment for that month can only be up to the expiration date. Any care provided following expiration date of their status, **cannot** be paid. The case must be closed at the end of the month if there are no other providers.

Provider's Suspension or Denial of License 400-28-105-45

(Revised 10/1/11 ML #3278)

[View Archives](#)

A provider, **not** currently [licensed](#) or [self-declaration](#) who applies for a license or self-declaration and is denied are not eligible for a Child Care Assistance Program (CCAP) payment. If the provider appeals the [denial](#) the CCAP will **not** pay for child care during the period of the appeal as the provider is not licensed or self-declaration. If the provider wins the appeal, CCAP will make back payments as the license or self-declaration will be back dated to the date the county made the decision to deny.

When a child care provider's license or self-declaration is suspended, CCAP will **not** make a payment as the provider is not currently licensed or self-declaration. After a suspension is issued, a revocation may be issued. The revocation can be appealed. A suspension cannot be appealed.

If a provider is issued an 'Intent to Revoke', CCAP can continue to pay the provider until the effective date the license or self-declaration is revoked. If the provider appeals that decision, CCAP can continue to pay the provider during the course of the appeal. If provider loses the appeal all payments made during the appeal process will be considered [overpayments](#) and must be paid back to CCAP by the provider.

1099 Miscellaneous Tax Form and Internal Revenue Service (IRS) Reports 400-28-105-55

(Revised 10/1/11 ML #3278)

[View Archives](#)

Because providers are receiving payments from Child Care Assistance Program, federal law requires that a "1099 Miscellaneous Tax Form" showing total payments paid during the year be sent to the provider. These figures are reported to IRS. To make payment to a provider, a "W-9, Request for Taxpayer Identification Number and Certification" showing his or her name which is used when filing taxes, name of business if applicable, and tax ID number, must be submitted to the State office.

Providers who receive less than \$600 per year from the Department of Human Services will not be issued a "1099 Miscellaneous Tax Form." The Department of Human Services will send a letter explaining why the provider is not getting a "1099 Miscellaneous Tax Form" and the amount the provider received during the year.

When checks are returned to be canceled, the payment record for the appropriate provider will be adjusted by the Department of Human Services to reflect the correct amount on the "1099 Miscellaneous Tax Form".

Caretaker and Provider Contract for Services 400-28-115-10

(Revised 11/1/11 ML #3295)

[View Archives](#)

[NDAC 75-02-01.3-10](#)

When a [caretaker](#) chooses a child care provider, there is generally a contract outlining what is expected of the family for situations of absences, holidays, vacations, and termination of services.

A contract detailing the conditions related to payment for unscheduled absences, holidays and vacations, as well as termination of services is often entered into between a caretaker and the child care provider chosen. The Child Care Assistance Program (CCAP) is neither a party of nor subject to any contract or any terms therein included.

- CCAP will not be paid while the provider is absent for any reason (e.g. medical, holiday, vacation, etc.)
- CCAP will not be paid while the caretaker(s) is absent from participating in their allowable activity for any reason (e.g. medical, temporary illness, holiday, vacation, etc.)
- CCAP pays for child care for a child's absence if the absence meets the criteria in Section [400-28-80-25](#), Absent Days for Illness section of this manual

A contract may require that a notice of termination be given and the provider may request payment for that period of time. CCAP will not reimburse costs incurred because of a termination agreement unless the child was present and was provided care during that period of time.

Providers must **NOT** charge CCAP caretakers more than they are charging their lowest charged private pay families.

- When a case changes from Co-pay to Waived Co-pay, the certificate must be updated effective the month the case is approved for TANF, Diversion or Crossroads.
- When an [Intentional Program Violation](#) disqualification penalty is imposed the certificate must be updated effective the month the individual is disqualified.

Example: If an IPV is imposed effective for July, the certificate for July must be updated to remove the disqualified individual from the household size.

If a certificate must be updated as the result of a change, the caretaker is sent two copies of the updated certificate, one labeled 'caretaker's copy' and one 'provider's copy'. The caretaker is responsible for giving the provider a copy of the updated certificate.

When a change is reported, the eligibility worker must determine:

- The effective date of the change and when the change needs to be implemented.
- If the certificate needs to be updated. If the certificate needs to be updated, the date the certificate must be updated is based on the month the change occurred.
- If the payments made since the change occurred were correct payments:
 - If correct payments were made, document the information regarding the change and the change resulted in no change;
 - If incorrect payments were made, determine the amount of the correct payment and create overpayments if one exists.

Note: In certain situations, an underpayment may occur.

 - The certificate must be updated the month the change occurred.
 - Payments not yet made from the date the change occurred to when the certificate was actually updated will need to be reviewed to see if any payment can or cannot be made.

September. September's payment will be made based on the updated certificate. Since the change was not reported timely, the caretaker is not eligible for additional benefits for June through August.

Example #2: A change occurred that benefited the household on June 7th and was reported on September 23th. The eligibility worker sent a closing notice to the caretaker on September 25th. The caretaker did not provide the verification until October 2nd. The change is implemented and the certificate must be updated for October. October payments will be made based on the updated certificate. Since the change was not verified timely, the caretaker is not eligible for additional benefits for June through September.

- If the change **does not benefit** or has a negative impact to the child care assistance unit and the case remains eligible:
 - The change is implemented the month the change occurred.
 - The certificate must be updated the month the change occurred.
 - Any payments made from the date the change occurred will need to be made based on the new certificate.
 - Any payments made based on the old certificate for months prior to the certificate being updated are subject to overpayments.

Example: A change occurred that does not benefit the household on June 7th and was reported and verification of the change was received on September 3rd. The change is implemented and the certificate must be updated for June. Since the change was not reported and verified timely, June through August benefits need to be re-determined and overpayments established. Payments issued beginning September will be based on the updated certificate.

- If the change causes ineligibility a closing notice must be sent to close the case at the end of the month the closing notice is sent.

Child care costs must be verified monthly using the [SFN 616](#), Child Care Billing Report form. It is the responsibility of the child care provider and the caretaker to complete the billing form each month.

- The child care provider must list the **ACTUAL** number of hours the child was in their care.
- The caretaker must list the **ACTUAL** number of hours the child needed care while the caretaker participated in their approved allowable activity (including travel time).

Both the [caretaker](#) and the provider are required to sign and date the billing report form AFTER the form has been completed.

It is the caretaker's responsibility to make sure the form is complete, to review the form for errors and for providing all the information needed in order for the payment to be made.

The caretaker may choose to let the provider submit the billing report form to the [county social service office](#), however, it is the caretaker's responsibility to make sure a completed billing report form is submitted to the county social service office.

Child care Billing Report forms received by the county that are not completed should be returned to the caretaker for completion.

Example: If child care is incurred for the service month of May, the last day the form can be submitted is up to the close of the last business day in November, to be considered as received within the 6 month time frame.

If a form is received after the 6 month time period, the family must be notified that payment cannot be made because the billing report form was received after the 6 month time limit. The family must be notified in writing the payment cannot be made.

Federal regulations require states to establish payment rates. The allowable amount of child care is based on:

- Type of provider
- Household income
- Household size
- Level of Care
- Child's Age
 - Infant care - birth through the month of their second birthday
 - Toddler – 2 and 3 years through the month of their fourth birthday
 - Preschool – 4 and 5 years through the month of their sixth birthday
 - School Age - 6 to 13 years through the month of their thirteenth birthday
 - Youth ages 13 – 19 years of age who are special needs children or courted order child care

When a child care billing report form is received, the billing report form must be reviewed to make sure it is complete (signed, dated and completely filled out). If the billing report form is not complete, the billing report form must be returned to the [caretaker](#) for completion.

If the child care billing report form is complete, the total hours for the month are divided by 4 to determine the average weekly hours. The average weekly hours are compared to the [Level of Care](#) on the certificate to insure it is correct.

If the average weekly hours of child care provided on the billing form are not within a reasonable amount of the caretaker's average weekly activity hours that were determined at the time the certificate was issued, the eligibility worker must contact the caretaker to resolve the difference.

If the [Level of Care](#) on the [certificate](#) is hourly (HR) and the billing form reflects either full time (FT) or part-time (PT) hours, payment for the month billed is paid at HR.

When the Level of Care determined from the billing report form does not match the Level of Care on the certificate, the payment is made based on the Level of Care on the certificate.

Note: When this occurs, the worker will follow the policy and procedures in Section [400-28-125-15](#), Known Information To Agency.

Compare the billed amount to the [State Rate](#) on the certificate to determine the lower amount. Take the lowest amount and subtract the [Family Monthly Co-pay](#) to determine the amount to be paid by the Child Care Assistance Program (CCAP).

If the child's hours in care do not reflect the hours [needed](#) for the [caretaker's](#) allowable activities, the eligibility worker may adjust the hours to be paid and entered into the CCAP payment system.

The number of hours may be adjusted but the amount billed may not be changed. The CCAP system will compute the correct amount to be paid to the provider.

Unless the provider requests the payment to be issued to the family, all Child Care Assistance Program payments are to be issued to the provider.

If the provider chooses to have the payment go to the [caretaker](#), the provider must complete in its entirety, sign and date a [SFN 848](#), Provider's Request to Pay Parent Directly form. The form must be submitted to the [county social service office](#) and must be filed in the caretaker's file. The provider must still complete a 'W-9, Request for Taxpayer Identification Number and Certification'.

Payments are processed daily with the exception of the end of the State Fiscal Year. At the end of the State Fiscal Year, there is usually a 3 day period when payments are not processed.

Payments are issued through an electronic payment card (debit card), direct deposit, or by check in specific cases.

Note: Checks are mailed two working days after the process date. With exception of weekends and holidays, normal delivery **should** be within five business days after the processing date.

The following day care providers receive payments by electronic payment card:

- AR - [Approved Relatives](#) (Q)
- IN - [In-Home care](#) (I)
- NF - Non-relative in Family Day Care (F, I)
- RF - Relative in Family Day Care (F, I)
- SC – [Self-Declaration](#) (S)
- TR - [Tribal Registration](#) (R)

- CT - [Centers](#) (C,E,K,M)
- NG - [Group Care](#) (G,H)

The following will receive payment by check:

- Payments made to the family instead of provider. The eligibility worker selects this option when entering payments into the Child Care Assistance Program payment system.
- Garnishment of child care payments due to [child support](#) obligation of a provider. Child care payments to individuals with a child support obligation are intercepted by Fiscal Administration, Department of Human Services. Fiscal Administration deducts the required amount and issues the remaining amount to the child care provider. Because of this process, these payments will continue to be issued by check.

Payments of Less Than \$10 400-28-135-20

(Revised 10/1/11 ML #3278)

[View Archives](#)

The eligibility worker determines the amount that the Child Care Assistance Program (CCAP) would pay for the month and if the CCAP share of the total bill for the month is less than \$10, the payment will not be issued and **should not be entered into the CCAP payment system**. If the payment has been entered into the system, delete the payments under \$10 from the system, so the payment will not be processed and send the Payment Under \$10 notice.

Example: There is one provider and CCAP payment would be less than \$10.00, payment will not be issued to the provider.

Exceptions:

- If an error was made when making a payment to a provider and the provider's [underpayment](#) is less than \$10, issue the supplemental payment if CCAP's total share of the total bill was \$10 or more.
- If there are two or more providers, and the payment to be paid by CCAP for one of the provider's is less than \$10 and the payment for the other provider is more than \$10, payment to both providers will be made as the total CCAP payment being made is more than \$10.

Example: There are two providers and one provider submits a bill for \$8.00 and the other provider submits a bill for \$130.00. If the portion to be paid by CCAP for both providers is more than \$10.00, a payment will be issued to each provider even though the payment to one provider will be less than \$10.00.

If it has been over seven working days since the check has been processed, contact the State Child Care Assistance office with the following information: Social Security number and name of caretaker; Social Security number/Employer Identification Number (EIN) and name of provider; the processed date, and the amount of the payment. State Child Care Assistance office staff will check to see if other payments were processed on the same day for the same provider. The State Child Care Assistance office staff will request the check number from the State Finance office. The check system will be used to determine if the check has been cashed or is outstanding.

If the stop payment process is necessary, it will be initiated by the State Child Care Assistance office. The stop payment affidavit is sent to the county eligibility worker to secure the necessary signature and notarization. The affidavit is returned to the State Finance office, and the check is reissued by Department of Human Services. If the person received the original check after the stop payment has been issued, the State Child Care Assistance office should be notified that the stop payment should be canceled. Additional information may be entered on the comment screen. Notices are mailed to the [caretaker](#) the day following the process date.

[Advance](#) or [adequate notice](#) is not required in Child Care Assistance program.

Follow is a listing of notices for CCAP:

1. [Child Care Certificate](#) -- The certificate is issued to the caretaker when an application has been approved, 6 month review completed and each time the certificate is updated due to a change.
2. Payment Notification - - Informs the caretaker that a payment has been generated and the amount being paid by the CCAP.
3. Closing – informs the family they no longer meet the criteria for the CCAP.
4. Correspondence – informs to the family when one of the other notices is not appropriate.
5. [Denial](#) -- This notice is sent when the eligibility worker is denying the case.

Underpayments 400-28-150-10

(Revised 10/1/11 ML #3278)

An [underpayment](#) is a correction to benefits paid a household who was originally paid less than they were eligible to receive. The eligibility worker shall take prompt action to authorize underpayments to current [caretakers](#) or to caretakers who would have been eligible if the error causing the underpayment had not occurred.

Underpayments must be established based on the date discovered and whether or not the household is entitled to additional benefits. To determine if there is an underpayment, the eligibility worker must complete a budget using the Excel Spreadsheet or a hand budget before entering information into the payment system.

If the eligibility worker has made an administrative error or discovers a caretaker error resulting in an underpayment, process the underpayment in the child care computer system and send appropriate notification.

If the [county social service office](#) receives notification from the Administrative Law Judge or a court of law of a favorable decision on behalf of the client, underpayments must be established, if applicable, based on the directive included in the favorable decision.

If an underpayment would result instead of an [overpayment](#) because the household failed to report or failed to report timely, benefits are not restored and the underpayment is not made.

Recouping Overpayments 400-28-150-20

(Revised 10/1/11 ML #3278)

The eligibility worker must promptly take all reasonable and practical steps to recoup all [overpayments](#).

Any overpayment, whether resulting from an error made by the household, administrative error, [fraud](#), or a [fair hearing](#) decision subsequently made in favor of the [county social service office](#), is subject to recovery regardless of when the overpayment occurred.

Note: Only overpayments occurring under North Dakota's Child Care Assistance Program (CCAP) can be recouped. Requests from other states for [recoupment](#) cannot be honored.

The [caretaker](#) of the case at the time the [claim](#) was established is responsible for repayment of overpayments whether it is an administrative or [recipient](#) error.

Example: If Mom has an open CCAP case and Dad is in the home, the overpayment is established in Mom's name. Mom's case closes. Dad reapplies in his name. Dad is not responsible for repayment of the overpayment.

If the case closed and the individual reapplies and begins receiving assistance again, any outstanding overpayment balance must be recouped.

Methods of Recouping Overpayments 400-28-150-20-05

(Revised 10/1/11 ML #3278)

[View Archives](#)

Methods of recovering [overpayments](#) are as follows:

- [Recoupment](#) from the Child Care Assistance Program (CCAP) payment:
 - 10% for agency and client (non-[fraud](#)) related errors
 - 20% for [Intentional Program Violations](#) (IPV) (fraud)
- Voluntary repayment – a payment that is made by the [caretaker](#) who has a closed case or in addition to the recoupment taken out of their benefit if the caretaker has an ongoing open case. The additional amounts must be sent into the CCAP State Office and CCAP State Office staff will apply the payment in the CCAP system.
- Criminal restitution. If the court has ordered an amount of recovery, either more or less than the amount identified above, the amount ordered by the court will be the only amount recovered.

The amount recouped cannot be less than 10% for client or agency errors or 20% for Intentional Program Violation (IPV) (fraud).

For client errors that are later determined to be IPV, the 10% recoupment will continue until the IPV has been established at which time the recoupment percentage must be changed to 20%.

Note: The household remains responsible for repayment of any overpayments that may have resulted from this violation regardless of eligibility for benefits.

If an [underpayment](#) is issued, the underpayment will be recouped from the overpayment by the established repayment method that is in place.

When an overpayment exists, regardless of the household's eligibility for benefits, the household shall continue to be responsible for repayment of the overpayment.

An individual may appeal an adverse action of the Child Care Assistance Program (CCAP) by submitting a signed written request to the [county social service office](#) within 30 days from the date of the notice of adverse action. An individual is not required to use [SFN 162, Request for Hearing](#) when filing an appeal. However, the individual's request for a hearing must be made in writing and signed. When a written request for a hearing is received within 10 days from the date of the notice of adverse action, benefits must continue unless the individual requests to have their benefits reduced.

Actions which are appealable include but are not limited to:

1. [Denial](#) of CCAP benefits
2. Reduction in CCAP benefits
3. Closing of CCAP case
4. [Overpayment](#) of benefits paid
5. Any action imposed against a household except when the sole issue is one of state or federal law requiring automatic benefit adjustments for classes of [recipients](#) (unless the reason for an individual appeal is incorrect benefit computation)

When an individual appeals an adverse action, the individual has the right to make a written request for a [fair hearing](#) within 30 days from the print date of the notice of adverse action.

If the written request for a fair hearing is received after the 30 days, the county must accept the appeal and forward the appeal to the Appeals Supervisor. The Appeals Supervisor will take the appropriate actions.

When a fair hearing is requested in writing within 10 days from the date of the notice of adverse action, assistance must be continued pending the fair hearing decision except in the following circumstances:

1. The household fails to meet other eligibility requirements
2. The [recipient](#) unconditionally withdraws or abandons the fair hearing request
3. The [department](#) reverses the proposed action without a hearing
4. The department determines, based upon the record of the claimant's fair hearing, that the issue involved is one of state or federal law or a change in state or federal law
5. After an appeal is filed and prior to the decision rendered, a change in the [caretaker's](#) benefits occurs and the caretaker fails to file a timely request for a fair hearing after they are notified of that subsequent change

When an individual submits a written request for a fair hearing within 10 days from the print date of the notice of adverse action, the individual's Child Care Assistance Program benefit must be restored at the level the household would have been eligible to receive without implementing the

proposed adverse action which is being appealed, pending the outcome of the fair hearing.

Note: If two adverse actions were taken that reduced the households benefit and the household only appeals one of the adverse actions, the restored benefit level will reflect the change in benefits that results from the adverse action that was not appealed.

The eligibility worker must create and send a notice immediately unless the individual requests to have their benefits reduced.

When the individual requests a fair hearing, the fair hearing will be conducted by the Office of Administrative Hearings in accordance with N.D.A.C. 75-01-03.

An IPV is defined as "an action by an individual, for the purpose of establishing or maintaining eligibility for Child Care Assistance Program (CCAP) or for increasing or preventing a reduction in the amount of assistance".

In order to determine if an individual(s) has committed an IPV, that individual must have intentionally committed any act intended to mislead, misrepresent, conceal, or withhold facts that constitutes a violation of CCAP or any State statute.

Examples:

- A source of [income](#)
- Allowable deductions
- A household member
- Falsified billing report form
- Not being in an allowable activity
- Receiving assistance in two states at the same time
- Not being a resident of North Dakota

The use of the term "intentionally" does not mean the eligibility worker has the burden of proving that an individual intended to commit a fraudulent act. The signature of any [caretaker](#) on the Application, 6 Month Review form, Change Report form, Child Care Billing Report form or any other appropriate materials attests to providing factual information that is required to determine eligibility.

An IPV disqualification can be established in the following two ways:

1. Administrative Disqualification Hearing (ADH) is pursued when an individual is suspected of intentionally withholding information that results in improperly establishing or maintaining eligibility for Child Care Assistance Program (CCAP) benefits. ADH procedures should be initiated in instances when there is sufficient documentary evidence to substantiate that an individual has committed one or more acts of IPV.

An individual has the right to waive an Administrative Disqualification Hearing. The eligibility worker must possess sufficient evidence to warrant holding a disqualification hearing before allowing an individual to waive the hearing.

2. Court Conviction – [Fraud](#) is a result of an individual being convicted in federal or state court of having made a fraudulent statement or representation which results in improperly establishing or maintaining eligibility for Child Care Assistance Program benefits.

Upon receipt of the judgment:

- If the judgment includes a CCAP disqualification period, impose the disqualification following the CCAP disqualification time frames. (See Section [400-28-160-35](#), Disqualification Time Frames)
- If the judgment indicates a disqualification period will NOT be imposed, the judgment must be followed and a disqualification period cannot be imposed.
- If the judgment does not include a disqualification period or is silent as to a disqualification period, the eligibility worker

Child Care Assistance Program

**Division 10
Program 400**

**Service 400
Chapter 28**

must forward the following information to the Appeals Supervisor to process the findings under the IPV provisions:

- Criminal Complaint
- Judgment or Order and
- A cover letter detailing the violation and providing the name, address, and Social Security Number. Inclusion of any prior disqualifications should also be noted

Regardless of the type of IPV, the appropriate notice must be sent to the household notifying the household that an individual is disqualified and/or assistance will be reduced or ended. The conviction and disqualification information and copies of supporting documents (including conviction information) must be recorded in the case file. If a disqualified person moves from one county to another, include disqualification information in the case transfer information.

After a disqualification hearing, there are no further appeal procedures available through the Administrative Hearing Process. The determination of IPV cannot be reversed by a subsequent hearing. The individual, however, is entitled to seek relief in a court of appropriate jurisdiction. The period of disqualification may be subject to stay or other action which would delay the imposition of the disqualification.

(Revised 11/1/11 ML #3295)

[View Archives](#)

[NDAC 75-02-01.3-12](#)

The Administrative Disqualification Hearing process should be initiated in instances when there is sufficient documentary evidence to substantiate that an individual has committed one or more acts of IPV. The following procedures are recommended:

1. The [county social service office](#) shall complete the first portion of [SFN 1940](#), TANF/SNAP/CCAP Notice of Suspected Intentional Program Violation.

Indicate the household member against whom there is evidence of a violation. In most instances this will be the household member who has completed the application, review or change report form, child care billing report form or any other appropriate materials used in the eligibility process containing the false information.

If there is more than one [caretaker](#) in the case, IPV can be pursued against one or both of the caretakers. A separate SFN 1940 TANF/SNAP/CCAP Notice of Suspected Intentional Program Violation must be completed for each caretaker for whom IPV is being pursued.

When completing the 'description of evidence' section of the SFN 1940 TANF/SNAP/CCAP Notice of Suspected Intentional Program Violation form, be brief and to the point. Address the specific household member. Identify what the household member misrepresented, as well as when and how. Describe what is believed to be the true information and where the information came from.

Note: If more room is needed, use a second sheet.

Division 10
Program 400

Service 400
Chapter 28

2. The eligibility worker shall contact the individual and arrange an appointment to meet and discuss the issue.
 - If the individual suspected of an Intentional Program Violation attends the meeting, the individual shall be given a copy of the DN 1087, Legal Service Organizations form. This serves to meet the federal requirement that individuals being considered for Administrative Disqualification be notified of the availability of free legal assistance.
 - If during the meeting it is determined there was no Intentional Program Violation, SFN 1940, TANF/SNAP/CCAP Notice of Suspected Intentional Program Violation is placed in the case file with a notation that it was not forwarded for further action along with a summary of the explanation as provided by the individual. However, any [overpayments](#) must still be established and recovered.
 - If during the meeting, the county believes the violation did occur and the individual has no satisfactory explanation, SFN 1940, TANF/SNAP/CCAP Notice of Suspected Intentional Program Violation is to be given to the individual, along with an explanation and the consequences relating to the signing of Part A or B of the Waiver of Hearing.
 - Waiver A - Allows an individual to admit to the facts and accept the disqualification period.
 - Waiver B – Allows an individual to accept the disqualification without admitting to the facts.

In order to waive their Administrative Disqualification Hearing, the individual must sign either part A or B of the waiver located on the SFN 1940, TANF/SNAP/CCAP Notice of Suspected Intentional Program violation.

A signed waiver is a statement that the household has been informed a disqualification penalty will result.

Child Care Assistance Program

Division 10
Program 400

Service 400
Chapter 28

The eligibility worker must explain that signing Part A or B of the Waiver of Hearing will result in specific program disqualification:

- 12 months for a 1st violation,
- 24 months for a 2nd violation, and
- Permanently for 3rd and any subsequent violation.

Continued eligibility for Child Care Assistance Program (CCAP) requires that at least one member of the household retains CCAP eligibility.

Only the individual(s) found to have committed the violation or who signed the waiver or the consent agreement in court cases, and not the entire household, shall be disqualified. The disqualified individual's [income](#) and allowable deductions will continue to be used in determining eligibility and benefit amount.

- If during the meeting the individual suspected of an Intentional Program Violation signs the Waiver of Hearing:
 - Provide the individual a copy of SFN 1940 TANF/SNAP/CCAP Notice of Suspected Intentional Program Violation; and
 - Mail the SFN 1940 TANF/SNAP/CCAP Notice of Suspected Intentional Program Violation, detailing the violation to the Appeals Supervisor, North Dakota Department of Human Services, Judicial Wing, 600 East Boulevard Avenue, Bismarck, ND 58505-0250.

Note: If Part B is signed, a cover letter detailing why the individual signed Part B rather than Part A must also be sent to the Appeals Supervisor.

- If during the meeting, the individual suspected of an Intentional Program Violation refuses to sign the Waiver of Hearing:
 - Explain that a hearing will be held, usually by telephone, unless they request that a hearing officer be

Child Care Assistance Program

Division 10
Program 400

present as indicated on the SFN 1940 TANF/SNAP/CCAP Notice of Suspected Intentional Program Violation.

- Give the individual a copy of the SFN 1940 TANF/SNAP/CCAP Notice of Suspected Intentional Program Violation.
- Mail the original along with a letter detailing the violation, copies of relevant parts of the application, review, change report form, child care billing report form and other supporting documentation obtained, etc., to the Appeals Supervisor, North Dakota Department of Human Services, Judicial Wing, 600 East Boulevard Avenue, Bismarck, ND 58505-0250.

Note: It will not usually be necessary to copy the entire application or review as long as it is identified.

3. If the individual suspected of an Intentional Program Violation fails to respond within 10 days to a request for a meeting or agrees to a meeting but fails to appear for the meeting:
 - Forward the SFN 1940 TANF/SNAP/CCAP Notice of Suspected Intentional Program Violation, along with a letter detailing the violation, to the Appeals Supervisor, North Dakota Department of Human Services, Judicial Wing, 600 East Boulevard Avenue, Bismarck, ND 58505-0250.

Prior to receipt of a disqualification decision, the household will continue to participate at the same benefit level as any other household while awaiting a disqualification decision. The overpayment continues to be collected at the rate of 10%. Full repayment of the overpayment does not stop the disqualification procedure from taking place.

SFN 413, Individual Indian Monies Account 400-28-165-35

(Revised 10/1/11 ML #3278)

[View Archives](#)

[SFN 413](#), Individual Indian Monies Account form is to obtain definite information from Indian agencies about deposits made to and balances remaining in IIM Accounts. This information is necessary to determine eligibility and benefit amount and lends itself to prorating based on income received during a previous 12-month period.

The upper portion of the form is to be completed by the eligibility worker. The form must be signed by the applicant and or recipient who then sends or takes it to the superintendent of the Indian agency for completion.

Note: The household may choose to sign a Release of Information permitting the eligibility worker to obtain the needed data from the Indian agency directly. SFN 413, signed by the applicant or recipient, must also be used when this method is followed.

The bottom portion of the form is completed by appropriate officials of the Indian agency.

IIM accounts for persons enrolled at the Fort Totten and Turtle Mountain Indian agencies are maintained in the Aberdeen, South Dakota, Area Office. Accounts for persons enrolled by the Fort Berthold and Standing Rock agencies are maintained by each of those agencies.

SFN 1940, TANF/SNAP/CCAP Notice of Suspected Intentional Program Violation 400-28-165-75

(Revised 10/1/11 ML #3278)

[View Archives](#)

[SFN 1940](#) is intended to:

1. Notify an individual in writing when that individual is suspected of having committed intentional program violation;
2. Provide a means of waiving the right to a hearing if an individual suspected of intentional program violation wishes to waive their right to an administration disqualification hearing;
3. Assign a hearing time if the right to an administrative disqualification hearing is not waived; and
4. To allow an individual who desires that a hearing officer be present at the hearing, rather than having a telephone hearing, to indicate that desire.

Form completion instructions:

Pages 1 and 2 are to be completed by the county initiating the administrative disqualification hearing procedure. The form is to be signed in this section, by an eligibility worker, supervisor, or county director who will be present at the meeting with the individual suspected of having committed intentional program violation.

Page 3, the "Waiver of Hearing" section, either A or item B, is to be signed if the individual wishes to waive their right to an administrative disqualification hearing.

Page 4, the individual suspected of intentional program violation must sign on this page if the individual does not waive their right to a hearing and desires that a hearing officer be present at the hearing, rather than a telephone hearing.
