

## **TECHNOLOGY GRANT**

Technology funds are for North Dakota child care providers to better connect to:

- Training
- Professional Development
- Child Care Assistance Program (CCAP) reimbursement
- Licensing Systems.

Technology funds **must be** used for administrative purposes.

**Child care providers may use TECHNOLOGY funds to cover the following expenses:**

- Computer/laptop
- Printer
- Scanner
- Cyber Security Systems – ex. Norton, McAfee, Bitdefender
- Office 365
- Tools for Child Assessment – ex. TS GOLD
- Child Care Management Programs
- 1 year internet service
- iPads and tablets are not recommended due to difficulty loading SFN forms and training courses

Each program applicant will be **REQUIRED** to report how they spent the funds 90 days after payment is processed.
