		1:00 to 4:00	Defensive Driving	Select	N/M/R	Uvalle

NOTE: Due to the extensive amount of training time that will be required for the Motivational Interviewing (MI) training, we will only be offering mandatory training this year. It is recommended that you complete as much of your mandatory training as possible before we begin the MI training.

Second and third quarter training will be limited due to the MI schedule.

Fourth quarter training will be very limited and consist of only mandatory classes that may be necessary to complete staff yearly training requirements.

Classes require three (3) students or more to be presented. The only exception will be if a student can demonstrate a legitimate reason for not attending mandatory training on an earlier date.

NOTE: You must sign up for all classes through the ELM catalog.
