The above named, have received and understand the Early Childhood Services law, NDCC 50-11.1-07.2(2), which states: **"Within three business days of the receipt of the correction order, the licensee of the early childhood program or the holder of a self-declaration shall notify the parent of each child receiving early childhood services that a correction order has been issued. In addition to providing notice to the parent of each child the licensee or holder of a self-declaration shall post the correction order in a conspicuous location upon the early childhood premises until the violation has been corrected or for five days, whichever is longer."**

I also assure _____ County Social Services that I have notified the parents, guardian, or custodian of each child receiving care at the facility that a correction order has been issued. In addition to providing notice to the parent, guardian, or custodian of each child, I have posted the correction order in a conspicuous location within the facility until the violation has been corrected. I further understand that non-compliance of the above is a violation of North Dakota Law and may result in adverse action to my license.
