Clear Fields

Household members listed below must:

- Seek and accept a suitable job.
- Have "Good Cause" when quitting a suitable job.

These household members will not qualify for Supplemental Nutrition Assistance Program (SNAP) benefits if they do not meet these requirements. They will remain ineligible until they meet the requirements or become exempt.

Household Members

Household members are not required to :

- Register for work at Job Service
- Apply for unemployment benefits

I understand the requirements and will explain them to other household members listed above.
