INSTRUCTIONS

INSTRUCTIONS FOR HEALTH CARE PROFESSIONAL CERTIFYING INDIVIDUAL REQUESTING CLIENT SPECIFIC ENDORSEMENTS.

The person signing the Documentation of Competency must be one of the following health care professionals: physician, nurse practitioner, registered nurse, licensed practical nurse, physical therapist, occupational therapist or other person with a professional degree in specialized areas of in-home care.

Client Specific Endorsement: The endorsement(s) checked are those the individual has identified as requesting approval to provide.

Competent: Place an 'X' in the 'Yes' box if the individual is found competent in this standard or mark 'No' if the individual did not meet the requirement for competency. Competency of the standard is determined by observation of the procedure being performed by the provider.

Client Specific Endorsements

The following Client Specific Endorsements require verification of the QSPs ability to provide the service for a specific client who requires the endorsement.

To qualify for one of the following endorsements:

- You must have a current consumer that specifically needs one of the services listed below.
- Have a licensed healthcare provider complete an SFN 830 - Request for Client Specific Endorsement approving you as competent to provide the specific endorsement.
- Submit the completed SFN 830 to the consumer's HCBS Case Manager.
