

FOSTER CARE VERIFICATION
DEPARTMENT OF HEALTH AND HUMAN SERVICES
CHILDREN AND FAMILY SERVICES
SFN 1612 (11-2022)

Foster care verification must be completed by the foster care case manager on all youth over the age of 14 prior to their discharge from care. Foster care verification provides documentation of the youth's time in the ND foster care system. This verification may assist the youth in receiving a college scholarship, entry into the Chafee program as a Foster Care Alumni, access to North Dakota Medical Services, re-entry into 18+ continued care, etc. A youth can request a new Foster Care Verification (SFN 1612) at any time to use as verification in their future.
