

APPLICATION FOR REGISTRATION OF AIRCRAFT/ULTRALIGHT AND REMITTANCE OF EXCISE TAX

NORTH DAKOTA AERONAUTICS COMMISSION
SFN 11627 (12-2021)

FOR OFFICE USE ONLY

ND Aircraft Registration Number

Year

EXCISE TAX INSTRUCTIONS

- Excise tax is levied on every aircraft purchase transaction and is due at time of registration, unless a valid North Dakota exemption applies (see NDCC 57-40.05-03). A trade-in credit of another aircraft is allowed with proper documentation.
- If a person buys partial ownership of aircraft, excise tax is due on that share. Indicate the primary owner below and provide additional owner's contact information on a separate sheet.
- The excise tax rate is 5% on conventional aircraft and ultralights, or 3% on agricultural aircraft used exclusively for aerial application.
- North Dakota has reciprocity with all states that impose a sales or excise tax. A credit for tax previously paid may apply by providing documentation verifying taxes of at least 5% were already paid.
- Remit a copy of your purchase agreement or proof of purchase showing the amount paid with this form.

REGISTRATION INSTRUCTIONS

- Registration fees on airworthy aircraft and ultralights are **due annually by January 1** of each year. Locate the registration fee due on the Schedule of Registration Fees chart and remit the correct amount with excise tax due.
- Aircraft must be registered within 30 days after purchase or after being brought into North Dakota.
- Registration fees are based on the maximum gross weight (empty weight for ultralights).
- For aircraft that become based in the state after July 1 of this calendar year, you may remit one-half of the annual registration fee.
