

## **MENTOR-MENTEE INTERVIEW**

You may select from the questions below, add to them, or make up your own. Then take turns answering the questions aloud.

- What inspired you to enter the teaching profession?
- Tell me about a teacher who made a significant impact on your life. Who was it? What did s/he do?
- What have been some high points/low points in your education career?
- What is your vision of the ideal classroom?
- What are your professional growth goals this year?
- How might I best support you?
- Tell me something you'd like me to know about you.
- Describe how you feel about feedback . "It's best when ...." "It is best delivered in the form of ..."
- What pushes your buttons?
- How would you describe the ideal mentor/newcomer relationship?
- Is there anything else I should know that would facilitate our working relationship?
