Bismarck Public Schools’ Vision Statement

About Me:

I am originally from Medina, ND. I have been married to my husband, Travis, for six years. Travis works at Hulsing Associates and Architects out of Dickinson. We have two daughters, Haddie (4) and Libbie (2). They are full of energy and keep us busy every day with their unique personalities and interest in many things!

The first three years of my teaching career were spent in multi-age classrooms made up of students from 2<sup>nd</sup> – 6<sup>th</sup> grade. The next 5 years, I enjoyed teaching third grade. As I instructed in the classroom, I also served as an RTI-A and RTI-B team leader and as a Building Level Support team member.

In my free-time I love reading, both to learn and for fun, traveling and spending time with friends and family.
