

**Dear Teachers,**

**I am experimenting with a new mode of communication. I will try to have “Coach’s Corner” emailed to you by Monday or Tuesday of each week (See below). It will contain any changes to my regular weekly schedule. Also, it will contain “Current Happenings” to let you know some of the ways that I am working with teachers. Finally, I may include websites, strategies, or other ideas that may be valuable to you and your reading instruction. Please let me know if you have any suggestions!**

**It is such a pleasure to work with you! Have a great week!**
