About me:

I am from West Fargo, ND. My husband and I have two daughters, ages 4 and 2.

I have taught third grade and first grade. My teaching experience has included leadership roles as a School Improvement committee member, RtI-A and RtI-B committee member, school RtI-B coach, and district RtI committee member.

I have been trained to use AVMR, LLI, and browser-based AIMS assessments. Within the last two years, I have attended the state training sessions for implementing a school-wide PBS system and was also trained by CESA 7 on implementing the Common Core.

- Respect your time and expertise
- Use research, best practices, and district policies to guide our work
- Be a resource for YOU and your students
- SUPPORT YOU

I will NOT:
