## Instructional Coaching Opportunities

**We are a stone's throw away from Teaching Greatness!**

"I did not win and in fact I was called into the principal's office for a consultation with my parents. But that was the beginning of my literary career." *William Joyce*

## Consultation

- Inform teachers on new trends.
- Research needs for teachers on new methods.
- Assist teachers in implementing a particular set of instructional strategies.
- Assist teachers with curriculum procedures and policies.
- Give technical assistance.
- Apply teacher standards for implementation.

As always in a musical collaboration: One has to like each other. As simple as that. *Klaus Schulze*

## Collaboration

- Work together to identify areas of instructional focus.
- Model new techniques and trends.
- Problem solve based on student data.
- Form action plans based on observations.
- Form action plans based on student data.
- Solve instructional stumbers via teacher and coach expertise.

"How strange is the lot of us mortals! Each of us is here for a brief sojourn; for what purpose he knows not, though he senses it. But without deeper reflection one knows from daily life that one exists for other people."

*Albert Einstein*

## Reflection

- Encourage self-directed thinking about instruction.
- Develop self-reflection.
- Create questioning techniques for critical thinking.
- Reflect on student outcomes.
- Assist teachers in acquiring tools and strategies for planning, reflecting, and problem solving around instruction.

"I knew I had some big shoes to fill, coming up behind two really great pitchers. Whenever I pitched during those two years, I set a personal goal to do as well as they did to help the team as much as I could. They really taught me a lot about the importance of composure and hard work."

*Noe Esperas, National Fastpitch Coach Hall of Famer*
