

# Instructional ~~Coach~~ Collaborator Menu

## Appetizers

**Classroom Guest-** Cover your class or find coverage for you so that you may observe another colleague in the building.

**Differentiation Support-** Help design choice assignments or tiered activities/assessment.

**Round-Up Resources-** Hunt for engaging technology resources or lesson components to support your classroom.

**Co-Planning-** Through conversation, collaboratively plan a lesson or series of lessons that meet best practices.

## Main Entrees

**Co-Teach/Team Teaching Experience-** after planning cooperatively, teach a lesson together. This allows for more hands/eyes in the classroom to track students and enhance student achievement.

**Data Chats-** collaboratively analyze formative assessment data to make instructional decisions.

**Right-Hand Woman-** Serve as another pair of hands for a lesson or another pair of eyes to track student concerns.

**ActivBoard Support-** Create an interactive lesson that incorporates technology, based off a topic of your choosing, that will enhance student engagement.

**Model a Lesson-** Model a lesson in your classroom or an alternate classroom while you observe.

## Desserts

**Reflection-** Through conversation and observation, reflect on student learning in your classroom.

**Brainstorming Session-** Collaboratively bounce innovative ideas off one another.

**Lean On Me-** Lend an open ear for a topic of your choice.

**Other Areas of support-** Flip one of your classes, collaboratively design a project-based learning activity, video tape your instruction for self review/peer review, provide vocabulary strategies, incorporating iPads into the classroom
