TINA LEACH

**LITERACY
COACH**

I have a belief that everyone working together and forming a partnership to be a team in learning and teaching is important in student success. Together we can all give students what they need to achieve.

Roles;

Team Teaching, co-teaching, resource provider, data collector, professional development assistance, collaboration, team planning, curriculum planning.

Check which services you are interested in:

- co-planning a lesson
- classroom visit with feedback
- demonstration lesson
- co-teaching
- differentiated instruction ideas
- resources for _____

Best time to meet with you _____.

COACH'S DUTIES

As Manvel Public Schools Literacy Coach the responsibilities are as follows:

DATA COACH

T, W, TH

To best use student achievement data to drive decisions at the classroom and student level. I will assist in identifying department trends. Facilitate in data dialog, and support teachers to use data to guide instruction.

CLASSROOM SUPPORTER

W – F

To assist in quality and effectiveness of classroom instruction. To share in a deep understanding of curriculum and strategies used. Be aware of feedback and elements of responding to feedback.

INSTRUCTIONAL SPECIALIST

T – TH

To help align instruction with curriculum to meet the needs of all students. Model new strategies and differentiation of instruction. Trying out new strategies along with the classroom teachers.

LEARNER

M, W, F

To be a leader in professional development and a lifelong learner.
