

Ways that I can support you:

- **Co Teaching**—after planning collaboratively, teach a lesson with you
- **Small Group**—reading or math strategy implementation
- **Common Core Standards**—support with lesson ideas, strategies, assessing, etc.
- Covering your class while you **observe** a specific strategy in another classroom
- **RTI:** Research based interventions to use in your classroom
- Tier II and Tier III support
- Assistance with **Data Analysis**
- **Classroom Observation**—another pair of eyes to help identify classroom concerns you may have and brainstorm possible solutions
- **Brainstorming** ways to involve every student in your lessons
- **504 Accommodations/Plans**—questions, identification, implementation
