The use of single trip movement approval forms is a privilege granted contractors, mobile home dealers and manufacturers, and the trucking industry for the purpose of expediting the permitted movement of oversize and/or overweight vehicles and loads. All single trip movement approval forms shall be used in conjunction with current identification supplements except "Interstate Only" and "LCV" single trip movement approval forms. All movements must comply with the applicable permit policy.

INSTRUCTIONS: All forms must be filled out completely by typewriter or printed in dark ink. Prior to movement, a stamp must be placed on the third copy (postcard copy) of the form and deposited in a mailbox. The first copy shall be attached to the identification supplement and carried in the vehicle. The second copy shall be kept by the carrier for his or her records. If the actual weights of the vehicle are not known, show the weights authorized on the identification supplement. Improper use of a single trip movement approval form, or failure to comply with the applicable permit policy, will void the form and subject the vehicle to legal size and weight limitations.

All checks must be payable to the North Dakota Highway Patrol. Applications must be sent to the North Dakota Highway Patrol, Motor Carrier Operations, 600 E Boulevard Ave. Dept. 504, Bismarck, ND 58505-0240. The telephone number is 701-328-2621. The fax number is 701-328-1642.

The North Dakota Highway Patrol will provide this form in an alternate format upon request.
