

Commercial Driver Training Program
Contract No. G-017-038

This is a project submitted by the Fort Berthold Community College. Project duration is 12 months. The total project costs are \$137,106 with \$11,900 provided from the Oil and Gas Research Fund. The purpose of this project is to train individuals interested in careers in driving, with a focus on providing a skilled, safe, workforce for the oil industry. This funding is for program start-up and operations for one year. The funding that is being provided by the Industrial Commission from the Oil and Gas Research Fund is to be used for the salaries and fringe benefits of the two part-time positions.
